7.1.8 Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities

The College always encourages the students to organize and participate in different programmes organized by college, intercollegiate, university and other Government or nongovernment organization to make them sensitize towards cultural, regional, linguistic, communal and socio economic diversities. Though the institution has diverse socio-cultural background and different linguistic, we do not have any intolerance towards cultural, regional, linguistic, communal socio economic and other diversities. With great fervor the national festivals, birth anniversaries and memorials of great Indian personalities are celebrated. Students from various regional and cultural backgrounds participate in such programs and present their regional or cultural folk songs and dances.
