RAGGING MENACE

Ragging is a disturbing reality in the higher education system of our country. Despite the fact that over the years, ragging has claimed hundreds of innocent lives and has ruined the careers of thousands of bright students, the practice is still perceived by many as a way of 'familiarisation' and an 'initiation into the real world' for young college-going students.

The Ragging is defined as any disorderly conduct, whether by words spoken or written or by an act, has the effect of teasing, treating, or handling with rudeness a fresher or a junior student. Indulging in a rowdy or undisciplined activity that causes or is likely to cause annoyance, hardship, or psychological harm or to raise fear or apprehension thereof in a fresher or junior student. Asking the students to do any act or perform something that such students will not do in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or junior student. This can lead to adverse effects such as depression, anxiety, and sometimes even suicide.

Punishment Provisions

Any student or group of students found guilty of ragging on campus or off campus shall be liable to one or more of the following punishments:

- Debarring from appearing in any sessional test/ university examination or withholding results
- Suspension from attending classes and academic privileges
- Withdrawing scholarships and other benefits
- Suspension from the college for a period of one month
- Cancellation of admission
- Debarring from representing the institution in any national or international meet, tournament, youth festival, etc
- Suspension/expulsion from the hostel
- Rustication from the institution for periods varying from 1 to 4 semesters or equivalent period
- Expulsion from the institution and consequent debarring from admission to any other institution
- Fine up to twenty five thousand rupees
- Imprisonment for a term which may extend to two years or with fine which may extend to ten thousand rupees or with both
- Collective punishment - When the students committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment as a deterrent to ensure community pressure on the potential raggars.

Any institution that fails to take adequate steps to prevent ragging or fails to act in accordance with the Regulations or fails to punish perpetrators or incidents of ragging suitably is liable to the penalties and punishments as per the provisions of the Regulations.

ZERO TOLERANCE POLICY IN INDIA

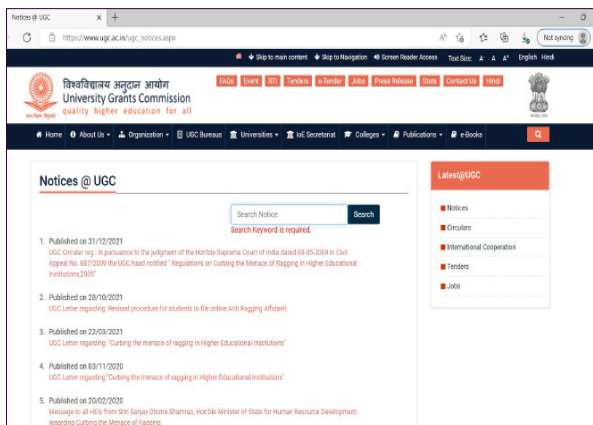

No act of ragging, major or minor, shall go unnoticed. No ragger, male or female, student or non-student, shall go unpunished. No institution that fails to take action against ragging shall be allowed to operate.

The Supreme Court, in its judgement dated 08 May 2009 ordered the implementation of a ragging prevention programme comprising, inter alia, setting up a toll-free anti-ragging helpline/ call center, a database of institutions/ students, and engaging an independent non-government agency as the monitoring agency.

Regulatory provisions and the appropriate law are in force to eliminate ragging in all its forms from the universities, deemed universities and other higher educational institutions in the country by prohibiting, preventing its occurrence and punishing those who indulge in ragging.

UGC Regulations on curbing the menace of Ragging in Higher Educational Institutions, 2009

Ragging is a criminal offense and UGC has framed regulations on curbing the menace of ragging in higher educational institutions in order to prohibit, prevent and eliminate the scourge of ragging. In pursuance to the Judgment of the Hon'ble Supreme Court of India dated 08.05.2009 in Civil Appeal No. 887/2009, in exercise of the powers conferred by clause (g) of sub-section (1) of section 26 of the University Grants Commission Act, 1956, the UGC notified "Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009". These regulations are mandatory for all universities/ institutions.

To,

The Vice Chancellor of all University
The Principal of all Colleges

Subject: Regarding revised procedure of Anti Ragging Undertaking & Compliance submission.

Sir/Madam,

As part of UGC's initiative towards reduction of compliance burden of its stakeholders, UGC has revised the procedure for students to file online Anti Ragging undertaking. Now the procedure is completely online and student is not required to submit any hard/printed affidavit in institute.

This procedure has been changed with the view to conserve paper, to protect our environment and to reduce compliance burden of our stakeholders.

It has been observed that some prominent institutions are still following the previous exercise. You are therefore requested to adopt the revised procedure and not to receive any hard/ printed affidavit by students.

Anti-Ragging Undertaking must be filled by the students online on <http://www.antiragging.in> only. Universities/Colleges will not accept Anti Ragging Undertaking by students in Hard/Printed copy/Affidavits. **(Please note that the student is not required to print & sign it as it used to be in the earlier case).**

Further the compliance submission is not upto the mark by the institutions, therefore you are also requested to submit compliance on the following link:

https://www.antiragging.in/compliance_disclaimer.html

Soft copy of the Anti-Ragging Posters are also enclosed with a request to display on the prominent places in your campus areas like Admission Centre, Departments, Library, Canteen, Hostel, and Common facilities etc.

Grievances Redressal Cell

Mechanism to deal with internal examination related grievances is transparent, time bound and efficient. Evaluation is a systematic method to assess the output of academic programs. Examinations Camp; Evaluations help to determine what works well and what could be improved during the academic journey in any institution. It helps the teachers and the students as well to improve methods of teaching and learning. Evaluation is a continuous process not a periodic exercise. It helps in framing the values of judgement among the teachers and incorporates sense of achievement among the students.

Process of evaluation is the yard scale that measures the efficiency of the teaching learning process in any institution. If the mechanics of evaluation process misses transparency, it yields no positive output. We at Our institution pay a lot of attention to maintain the transparency in this process. We have a grievance redressal cell to cater to the needs of the students' issues with related to the examination process.

As it is evident that the Covid-19 Pandemic has thrown a lot of challenges right in front of us and on-line examination is one among many. Our students are mostly from rural areas and they always have net issues and this online examination was like an ordeal not only for them but also for the college as well. To take care of the issues and troubles of online examination we have formed an Examination Grievance Redressal cell. This cell includes experts in computers, all HoDs and the Principal.

During online examination students' complaints related with congestion in the net flow like floods. Our expert team will be always there to attend the emergencies and we counsel our students who become so tensed during examinations. We gather all the data about issues faced by the students while facing the online examinations. We segregate them accordingly with all details of the issues mentioned by the students. We post the complaints to the examination department of RTM Nagpur University in time so that some productive action would be taken. And the result was that re-examination was conducted for all those students who had issues during the examination.

We strongly believe that a good evaluation process would ensure our organization is delivering the best programs and services to strengthen the future of our students. We are proud to have such cooperative team of personnel in our grievance redressal cell with us.
