GREEN CAMPUS/PLASTIC-FREE CAMPUS POLICY

Introduction

This policy document establishes the commitment of Indraprastha New Arts Commerce and Science College Nalwadi, Wardha to fostering a sustainable environment by implementing a Green Campus/Plastic-Free initiative. The initiative is aimed at minimizing the environmental impact of campus operations and promoting sustainability among students, faculty, staff, and the community.

Objective

The primary objective of this policy is to transition Indraprastha New Arts Commerce and Science College Nalwadi, Wardha towards a more sustainable and environmentally friendly campus by:

- Reducing and eventually eliminating the use of single-use plastics on campus.
- Enhancing environmental awareness and education within the college community.
- Implementing sustainable practices in all aspects of campus operations.

S. C. Petase
Coordinator
Internal Quality Assurance Cell
Indraprastha New Arts Commerce
and Science College, Wardha

Scope

This policy applies to all individuals on campus, including students, faculty, staff, contractors, and visitors.

Policy Details

☞ Plastic Reduction Strategies

- **Ban on Single-Use Plastics:** The sale and use of single-use plastic items (e.g., water bottles, straws, cutlery, and bags) are prohibited on campus premises. Alternatives made from biodegradable materials will be provided.
- **Sustainable Procurement:** All procurement processes will prioritize products and services that adhere to environmental sustainability standards, including packaging requirements that minimize plastic use.

☞ Waste Management

- **Recycling Programs:** Implement comprehensive recycling programs to manage waste effectively. This includes designated recycling bins for plastic, paper, metal, and glass.
- **Composting:** Facilitate organic waste composting programs for food waste generated from campus cafeterias and events.

☞ Energy and Water Conservation

- **Energy Efficiency:** Promote the use of energy-efficient appliances and lighting. Encourage initiatives such as the use of solar panels.

S. C. Petal
Coordinator
Internal Quality Assurance Cell
Indraprastha New Arts, Commerce
and Science College, Wardha

- **Water Conservation:** Implement measures to reduce water wastage, including the installation of low-flow fixtures and the maintenance of landscaping that requires minimal water use.

☞ Education and Awareness

- **Workshops and Seminars:** Regular workshops, seminars, and campaigns will be held to educate the campus community about sustainability practices and the importance of reducing plastic use.
- **Integration into Curriculum:** Environmental sustainability topics will be integrated into relevant courses to educate students about the impact and management of plastic waste.

☞ Monitoring and Compliance

- **Sustainability Committee:** Establish a Sustainability Committee responsible for implementing, monitoring, and reviewing the policy's effectiveness. This committee will consist of members from the administration, faculty, and student body.
- **Regular Audits:** Conduct annual audits to assess compliance with the policy and its impact on reducing plastic usage on campus.
- **Feedback and Improvement:** Encourage feedback from the college community to continually improve sustainability initiatives.

2. Management of the various types of degradable and non degradable waste

Solid Waste Management

Reduce, Recycle and Reuse: The garden waste, garbage, paper, e-waste and laboratory waste are **segregated** as per the Nalwadi Grampanchayat Guidelines.

Waste generation from tree droppings and lawn management is a major solid waste generated in the campus. The waste is segregated at source by providing separate dustbins for Bio-degradable and Non biodegradable waste.

Liquid Waste Management

The liquid waste from the College is connected to Municipal sewage system.

Metal, wood, glass and plastic **scrap** collected from laboratories, library, office and college campus is given to scrap dealer for recycling.

Three Sanitary Pad Incinerators have been installed in Girls Washroom.

E-waste Management

College works towards generating **minimal e-waste by reusing it. Regular maintenance** of electronic equipment and computers ensures longer life. **E-waste bin** is provided for the collection of the e-waste generated in college campus, which is given to the authorized agency for recycling and disposal.

Hazardous Waste Management

Microbial cultures and culture media are autoclaved at 121°C to **kill microbial cultures before disposal.**

The pipettes and other glassware are collected in a separate trough containing disinfectant before they are autoclaved.
