Climate Change Awareness Activity

Executive Summary:

The Climate Change Awareness Activity held at our college on **July 2, 2018**, marked a significant milestone in our ongoing efforts to promote environmental awareness and sustainability within our campus community. The event brought together students, faculty, and staff to engage in discussions, workshops, and initiatives aimed at deepening understanding and inspiring action on climate change.

Objectives:

1. Raise awareness about the science, impacts, and solutions related to climate change.
2. Educate participants about practical steps they can take to reduce their carbon footprint and promote sustainability.
3. Provide a platform for dialogue, collaboration, and innovation in addressing climate change within our college community.

Outcomes and Impact:

The Climate Change Awareness Activity generated a significant impact within the college community, fostering a sense of empowerment, responsibility, and solidarity in addressing climate change. Participants gained a deeper understanding of the complexities of climate change and the interconnectedness of environmental, social, and economic issues.

The event also served as a catalyst for ongoing initiatives and collaborations aimed at promoting sustainability within our college and beyond. From

campus-wide recycling programs to student-led advocacy campaigns, the momentum generated by the event continues to drive positive change and innovation.

Conclusion:

The Climate Change Awareness Activity, featuring presentations by expert **Dr Chandrashekhar M. Wadtkar (Environmental Activities, Amravati)**, underscored the importance of collective action in addressing the existential threat of climate change. By raising awareness, educating participants, and fostering collaboration, the event served as a catalyst for meaningful change within our college community. Moving forward, it is imperative that we continue to build on this momentum and work together to create a more sustainable and resilient future for generations to come.

Importance of Cleanliness and Eradication of Dengue and Malaria

Introduction:

The event held on **September 29, 2018**, at our college premises aimed to emphasize the critical importance of cleanliness and the eradication of dengue and malaria within our community. Through various activities and discussions, the event sought to raise awareness, educate, and mobilize individuals to take proactive measures in preventing the spread of these diseases.

The event commenced with an opening address highlighting the significance of cleanliness in combating the spread of dengue and malaria. Participants were then engaged in a series of informative sessions and activities designed to deepen their understanding and encourage action.

Key Activities:

1. Expert Talks: Esteemed healthcare professionals and experts **Dr. Avinash Ingale (Biotechnologist SGBAU)** delivered insightful talks on the symptoms, transmission, and prevention of dengue and malaria. They emphasized the critical role of cleanliness in eliminating mosquito breeding grounds and reducing the risk of disease transmission.

2. Interactive Sessions: Participants actively engaged in interactive sessions, asking questions and sharing their experiences and concerns related to dengue and malaria. The discussions fostered a sense of community awareness and responsibility towards addressing these public health challenges.

☎ : (07152) - 253093,240152, Fax : 07152-240152

3. **Poster and Awareness Campaign:** A poster-making competition and awareness campaign were organized to creatively convey the importance of cleanliness and disease prevention. Participants showcased their artistic talents while raising awareness among their peers about the need for collective action.
4. **Cleanliness Drive:** A cleanliness drive was conducted within the college campus, focusing on identifying and eliminating potential mosquito breeding sites. Participants enthusiastically participated in clearing stagnant water, disposing of waste properly, and maintaining a clean environment conducive to good health.

Outcomes and Impact:

The event succeeded in raising awareness about the importance of cleanliness and the eradication of dengue and malaria within our college community. Participants gained valuable knowledge about disease prevention strategies and the importance of maintaining a clean and hygienic environment.

Furthermore, the event fostered a sense of collective responsibility and empowerment among participants, motivating them to take proactive measures in their daily lives to prevent the spread of these diseases.

Conclusion:

The event served as a timely reminder of the critical importance of cleanliness and disease eradication efforts in combating dengue and malaria. By coming together as a community and taking concrete actions, we can create a safer and healthier environment for all.

Report On

Increasing Animal-Human Conflict and Importance of Environment and Wildlife

Introduction:

The college organized a comprehensive event on **October 1, 2018**, to address the escalating issue of animal-human conflicts and emphasize the critical importance of preserving our environment and wildlife. The event aimed to educate students, faculty, and staff about the root causes of these conflicts and foster a deeper appreciation for the role of the environment and wildlife in sustaining life on Earth.

The event commenced with an opening address, setting the stage for a series of informative sessions and interactive activities focused on understanding, addressing, and mitigating animal-human conflicts.

Key Activities:

1. **Expert Talks:** Esteemed experts Mr. Suhas Badhekar (Divisional Forest officer, social foresting, Wardha) in environmental science and wildlife conservation delivered insightful talks on the factors contributing to animal-human conflicts, including habitat loss, human encroachment, and climate change. They underscored the importance of adopting sustainable practices to minimize conflict and promote coexistence.
2. **Panel Discussion:** A panel discussion brought together researchers, conservationists, and community leaders to share their perspectives on conflict mitigation strategies. Participants engaged in a lively exchange of ideas and explored innovative approaches to resolving conflicts while conserving wildlife habitats.

☎ : (07152) - 253093,240152, Fax : 07152-240152

3. **Documentary Screening:** A thought-provoking documentary was screened, highlighting real-world examples of animal-human conflicts and the human impact on wildlife populations. The documentary served as a powerful tool for raising awareness and inspiring action among the audience.
4. **Interactive Sessions:** Participants engaged in interactive sessions, including group discussions and scenario-based activities, to deepen their understanding of the complex dynamics between humans and wildlife. They explored practical solutions and brainstormed ideas for promoting environmental conservation and wildlife protection.

Outcomes and Impact:

The event succeeded in raising awareness about the increasing prevalence of animal-human conflicts and the urgent need for conservation efforts. Participants gained valuable insights into the interconnectedness of environmental health, human well-being, and wildlife conservation.

Furthermore, the event fostered a sense of empowerment and responsibility among participants, motivating them to take proactive measures in their daily lives to minimize their impact on the environment and support wildlife conservation initiatives.

Conclusion: The event on Increasing Animal-Human Conflict and the Importance of Environment and Wildlife provided a platform for meaningful dialogue, education, and action within the college community. By recognizing the significance of preserving our environment and wildlife, we can collectively work towards creating a more sustainable and harmonious future for all.

सकाळ

वन्यजीव सप्ताहानिमित्त महारॅली

पाणी अडवा, पाणी जिरवाचा संदेश; वेशभूषेतील विद्यार्थ्यांनी वेधले लक्ष

सकाळ वृत्तसेवा

वर्धा, ता. ५ : न्यू आर्ट्स, कॉमर्स अँड सायन्स कॉलेज, वनविभाग, बोर राष्ट्रीय व्याघ्र प्रकल्प, बोर पीपल्स फॉर अॅनिमल्स व सामाजिक वनीकरण विभाग यांच्या संयुक्त विद्यमाने आयोजित वन्यजीव सप्ताह २०१८ अंतर्गत शुक्रवारी (ता. पाच) शहरातून वन्यजीव संरक्षण, संवर्धन महारॅली काढण्यात आली.

जिल्हा पोलिस अधीक्षक बसवराज तेली यांनी हिरवी झेंडी दाखवून रॅलीचा प्रारंभ केला. याप्रसंगी उपवनसंरक्षक सुनील शर्मा, उपवनसंरक्षक बोर राहुल गवई, डॉ. आर. जी. भोयर, पीपल्स फॉर अॅनिमल्सचे आशीष गोस्वामी, विभागीय वनाधिकारी एन. डी. जोशी, डॉ. प्रशांत कडवे यांची प्रामुख्याने उपस्थिती होती.

यावेळी डॉ. बसवराज तेली यांनी रॅलीत सहभागी विद्यार्थ्यांना संबोधित करून वन्यजीव व मानव हे परस्परावलंबी असून वन्यजीव संवर्धन करण्यात विद्यार्थ्यांनी पुढाकार घ्यावा, असे आवाहन केले.

पर्यावरण व वन्यजीव संवर्धन प्रदूषण आदी सर्व जिन्हाव्याच्या प्रश्नावर मात करण्याकरिता हा संदेश सर्वतोपरी पोचावा, या हेतूने महाविद्यालय परिसर ते आर्वी नाका, शिवाजी चौक, जी.एम. मोटर्स ते महाविद्यालय परिसरातून रॅली काढण्यात आली.

या रॅलीत भारत माता, राष्ट्रमाता जिजाऊ, छत्रपती शिवाजी महाराज, सावित्रीबाई फुले, ज्योतिबा फुले यांच्या वेशभूषेतील विद्यार्थ्यांनी सर्वांचे लक्ष वेधले. रॅलीत दिंडी, पालखी, लेझीम पथक, ढोल पथक, आदिवासी पथक, पारंपरिक वेशभूषेतील विद्यार्थी सामाजिक वनीकरण विभागाचे

पथक, पीपल्स फॉर अॅनिमल्सचे पथक सर्वांचे लक्ष वेधून घेत होते. महाविद्यालयातील सर्व विद्यार्थ्यांचा हिरवा पोशाख रॅलीचे मुख्य आकर्षण ठरले. यावेळी जगा आणि जगू द्या, पाणी अडवा पाणी जिरवा, वन्यप्राण्यांची संरक्षण करा, झाडे लावा झाडे जगवा अशा घोषवाक्यांनी वातावरणात उत्साह निर्माण केला.

टाळ मृदंग भजनाच्या निनादाने वन्यजीव, पर्यावरण संरक्षण यांच्याविषयी परिसरात जनजागृती करण्यात आली. लेझीम कौशल्य दाखवून सर्वांचे लक्ष वेधले. छत्रपती शिवाजी महाराजांना चौकात अभिवादन करून रॅली शिवाजी चौकात पोचल्यानंतर मान्यवरांनी माल्यार्पण करून पर्यावरण संरक्षणासंबंधी आपला संदेश नोंदविला. रॅलीत विद्यार्थी मोठ्या संख्येने सहभागी झाले होते.

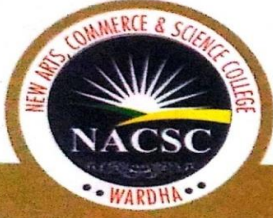

वर्धा : वन्यजीव सप्ताहानिमित्त शहरात काढण्यात आलेल्या महारॅलीत सहभागी शिक्षक व विद्यार्थी.

Report On

Mahatma Gandhi Jayanti and Birth Anniversary of Lal Bahadur Shastri 2018

Introduction: On **02 October 2018**, our college commemorated Mahatma Gandhi Jayanti with a dual initiative aimed at promoting environmental sustainability and community engagement. The day featured a "No Vehicle Day" celebration on campus alongside a cleanliness drive in collaboration with the National Association of Clean and Sustainable Colleges (NACSC).

Objectives:

1. To honor the principles of Mahatma Gandhi, including sustainability, non-violence, and community service.
2. To raise awareness about the importance of reducing vehicle usage and promoting eco-friendly transportation alternatives.
3. To contribute to the cleanliness and beautification of our college campus in alignment with NACSC's objectives.

Preparation: The event was meticulously planned by the college administration in partnership with NACSC representatives and student volunteers. Prior to the event, promotional materials were disseminated to inform and encourage participation. Teams were formed to oversee logistics, outreach, and coordination with external partners.

Event Highlights:

- **Inauguration Ceremony:** The day commenced with an inaugural ceremony attended by college officials, NACSC representatives, and student leaders. Speeches were delivered to emphasize the significance of the event and pay tribute to Mahatma Gandhi's teachings.

- ★ Recognised by U.G.C. New Delhi Under section 2(f) & 12 (b) of UGC act 1956.

Batchelor Road, Nalwadi Wardha - 442 001. (Maharashtra)

☎ : (07152) - 253093,240152, Fax : 07152-240152

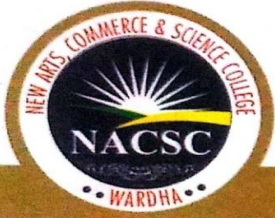

- **No Vehicle Day:** Participants were encouraged to leave their vehicles at home and utilize alternative transportation modes such as walking, cycling, carpooling, or public transport. Informational booths were set up to provide guidance on eco-friendly commuting options.
- **Cleanliness Drive:** Concurrently, volunteers engaged in a cleanliness drive across the college campus, focusing on areas identified as high-traffic zones or in need of attention. Garbage collection, sweeping, and beautification activities were undertaken to enhance the aesthetic appeal and hygiene of the surroundings.
- **Community Engagement:** Students, faculty, and staff actively participated in both initiatives, demonstrating their commitment to environmental stewardship and community service. Collaboration and teamwork were evident throughout the day as individuals worked together towards common goals.
- **Feedback and Reflection:** Post-event feedback sessions were conducted to evaluate the effectiveness of the initiatives and gather insights for future planning. Participants shared their experiences and suggestions for enhancing similar endeavors in the future.

Impact: The combined efforts of the "No Vehicle Day" celebration and the cleanliness drive yielded several positive outcomes:

Raised awareness about sustainable transportation practices and their environmental benefits.

- Contributed to the cleanliness and aesthetic enhancement of the college campus, fostering a sense of pride and ownership among stakeholders.
- Strengthened partnerships with external organizations such as NACSC, showcasing our college's commitment to collaborative initiatives for social and environmental impact.

Conclusion: The "No Vehicle Day" celebration on Mahatma Gandhi Jayanti and the cleanliness drive organized in collaboration with NACSC exemplify

Report On

Increasing Use of Plastic

Introduction:

On **November 24, 2018** NACSC Organized Awareness Campaign on increasing plastic usage premises. The widespread use of plastic, particularly single-use plastics, has become a significant environmental issue with far-reaching implications for our campus community and beyond.

Observations:

1. **Rising Consumption:** There has been a noticeable increase in the consumption of single-use plastics, including plastic bottles, bags, packaging, and utensils, within our college premises.
2. **Waste Accumulation:** The improper disposal of plastic waste has led to the accumulation of plastic litter in various areas of the campus, including classrooms, corridors, and outdoor spaces.
3. **Environmental Impact:** Plastic pollution poses a threat to the environment, wildlife, and human health. Plastic waste contaminates ecosystems, harms marine life, and contributes to the degradation of natural habitats.

Analysis:

The increasing use of plastic can be attributed to several factors, including convenience, affordability, and a lack of awareness about the environmental consequences of plastic pollution. Additionally, the pervasive influence of single-use plastics in mainstream consumer culture has normalized their use, making it challenging to shift towards more sustainable alternatives.

☎ : (07152) - 253093,240152, Fax : 07152-240152

Impact on the College Community:

1. **Environmental Awareness:** The rising concern about plastic pollution has prompted students and staff to become more environmentally conscious and seek solutions to reduce their plastic footprint.
2. **Student Activism:** There is a growing movement among students to advocate for the reduction of plastic usage and the implementation of sustainable practices within the college community.
3. **Administrative Response:** College administrators have recognized the need to address the issue of plastic pollution and have initiated discussions on implementing measures to reduce plastic usage on campus.

Recommendations:

1. **Promote Alternatives:** Encourage the use of reusable alternatives to single-use plastics, such as reusable water bottles, bags, and food containers.
2. **Educational Campaigns:** Implement educational campaigns to raise awareness about the environmental impacts of plastic pollution and the importance of adopting sustainable practices.
3. **Infrastructure Improvement:** Install water refill stations and recycling bins across campus to facilitate the use of reusable bottles and proper disposal of recyclable materials.
4. **Policy Implementation:** Develop and enforce policies to limit the use of single-use plastics within college facilities and events.

Conclusion:

The increasing use of plastic presents a pressing environmental challenge that requires immediate action. By raising awareness, promoting sustainable

Report on World Resource Day Event

New Arts, Commerce and Science College (NACSC) Wardha observed **World Resource Day on March 23rd, 2019**, at 11:00 am, with the presence of key figures from our college administration and faculty. Dr. Ashish Sasankar, the College Principal, Dr. Abhijit Verulkar, the College Secretary, Dr. Prashant Kadwe, Head of Department (B.A.), and Prof. Sandip Petare, IQAC Coordinator, were among the dignitaries present.

Dr. Ashish Sasankar, the College Principal, delivered an insightful speech, emphasizing the importance of responsible resource management for sustainable development. He underscored the significance of conserving resources and reducing wastage to ensure a better future for all.

Following Dr. Sasankar's address, Dr. Hemant Misal provided valuable knowledge on the given topic, enriching the discussion with his expertise. His insights shed light on the importance of adopting sustainable practices and managing resources efficiently.

The event concluded with a vote of thanks delivered by Dr. Pramod Achegave, expressing gratitude to all participants for their active engagement and meaningful contributions. Dr. Achegave reiterated the college's commitment to promoting environmental sustainability and encouraged continued efforts towards responsible resource management.

The event witnessed the participation of 279 beneficiaries who benefitted from the informative discussions and insights shared during the session.

Report On

Climate Change Awareness

Introduction:

On **July 01, 2019**, NACSC College conducted a Climate Change Awareness Initiative in the form of a Plantation Drive, under the esteemed leadership of Dr. Ashish Sasankar, Principal, and Dr. Abhjit Verulkar, Secretary. The event aimed to raise awareness about environmental conservation and mitigate the effects of climate change through active participation in tree planting.

Event Overview:

The Plantation Drive commenced with an opening address by Dr. Sasankar and Dr. Verulkar, emphasizing the importance of collective action in combating climate change. A total of 249 participants, including students, faculty, and staff, joined hands in this noble endeavor.

Plantation Process:

Under the guidance of experienced volunteers, participants engaged in the plantation process, carefully selecting and planting a variety of saplings native to the region. Each participant took ownership of their planted sapling, pledging to nurture and care for it as it grows into a symbol of hope for a greener future.

Educational Component:

Throughout the event, informative sessions were conducted to educate participants about the role of trees in mitigating climate change, improving air quality, and preserving biodiversity. Dr. Sasankar and Dr. Verulkar actively participated in these sessions, sharing their insights and encouraging participants to become stewards of the environment.

Community Engagement:

The Plantation Drive served as a platform for fostering community engagement and collaboration. Participants worked together with a shared sense of purpose, reinforcing the college's commitment to environmental stewardship and sustainability.

Impact:

- **Environmental Impact:** The planting of 110 saplings will contribute to carbon sequestration, mitigate the effects of greenhouse gases, and enhance local biodiversity.
- **Awareness and Education:** The event raised awareness among participants about the importance of tree planting in combating climate change and preserving the environment for future generations.
- **Community Building:** The Plantation Drive fostered a sense of community and collective responsibility towards environmental conservation, laying the foundation for future collaborative efforts.

Conclusion:

The Climate Change Awareness Initiative: Plantation Drive, led by Dr. Ashish Sasankar and Dr. Abhijit Verulkar, was a resounding success, exemplifying NACSC College's commitment to environmental sustainability and social responsibility. Through their leadership and active participation, Dr. Sasankar, Dr. Verulkar, and all participants demonstrated their dedication to creating a greener and more sustainable future.

Vasundhara Nisarg Katta, New Arts Commerce and Science, College, Wardha Celebration of Global Tiger Day

29th July 2019

It is said that where tigers thrive, it is a sign that the ecosystem is healthy. International Tiger Day is celebrated on 29 July annually to promote the protection of natural habitat of tigers and to increase awareness about the conservation of tiger. International Tiger Day is also known as Global Tiger Day. Vasundhara Nisarg Katta, New Arts Commerce and Science College, People for Animals, Wardha and Department of Forest, Wardha has Jointly organizes Tiger Day on 29th 2019. The function is head by Prof. Vaibhavi Ughade, Head, Department of biotechnology, while the H'ble Gaurav Kadu, Education Officer, BNHS, Amravati and H'ble Ashish Goswami, Head, Peoples for Animals Wardha Unit were the guest of honor

In the introductory speech Ashish Goswami highlight the importance behind the celebration of International Tiger Day. As it was first decided in 2010 at Saint Petersburg Tiger Summit in Russia to raise awareness about the decline of wild tiger numbers, leaving them in the brink of extinction and to encourage the work of Tiger conservation. While H'ble Gaurav Kadu Sir elaborates the reason behind the extinction of tiger specially poaching, habitat loss, climate change, lack of wildlife management etc.

In the presidential address Prof. Vaibhavi Ughade thoroughly explain the tiger status in India and need of Conservation According to 2014 Census, total number of tigers in the country was 2226 while according to 2010 census figure was 1706 and in 2006 figure was 1411. This indicates that the numbers of tigers have been continuously increasing. Tigers are part of our planets natural heritage; they also have a great cultural and historical significance. No doubt they are also crucial for the ecosystems in which they live. We can't ignore that tigers not only protect the forest by maintaining ecological integrity but also they bring highest levels of protection and investment to an area. Therefore, we call them as "umbrella species" that is their conservation also conserve many other species in the same area.

On this Occasion an Elocution competition was also organized on the topic Conservation of tigers: A Demand of Time. 14 students from UG and PG were participated and Ms. Ruapli Jadhao

लोकमत

व्याघ्रसंवर्धन काळाजी गरज

गौरव कडू : न्यू आर्ट्समध्ये जागतिक व्याघ्रदिनानिमित्त कार्यक्रम

लोकमत न्यूज नेटवर्क

वर्धा : एकेकाळी भारताला ओळख ज्या प्राण्याने मिळाली होती, त्या वाघांच्या संवर्धनासाठी त्याचा अधिवास संवर्धित करणे प्रत्येकाचे कर्तव्य आहे, असे मनोगत प्रा. वैभवी उघडे यांनी केले.

वसुंधरा निसर्ग कट्टा न्यू आर्ट्स, कॉमर्स अँड सायन्स कॉलेज, पीपल फॉर अॅनिमल्स आणि वनविभागाच्या वतीने संयुक्तरीत्या जागतिक व्याघ्रदिनाच्या निमित्ताने आयोजित कार्यक्रमात त्या बोलत होत्या.

यावेळी अमरावतीचे शिक्षणाधिकारी गौरव कडू, पीपल फॉर अॅनिमल्सचे आशीष गोस्वामी, कौस्तुभ गावंडे उपस्थित होते. हव्यास आणि गरजेपोटी जंगलतोड करून

माणसाने आपल्यापुरता मार्ग शोधला. मात्र, त्या जागेवर परंपरेने राहात आलेले प्राणी मात्र बेघर झाले. यातून निसर्गाची अमाप हानी झाली. भविष्यातील परिणाम लक्षात घेऊन अभयारण्य व राष्ट्रीय उद्यानांची निर्मिती करण्यात आली. विशिष्ट क्षेत्र विशिष्ट प्राण्यांसाठी संरक्षित करण्यात आले, कारण तो परंपरेने चालत आलेला त्यांचा अधिवास होता. हा अधिवास संवर्धित करणे गरजेचे आहे, असे मत गौरव कडू यांनी व्यक्त केले.

गेल्या शतकात माणसाने वाघांची अनिर्बंध शिकार केली. जंगलतोड आणि अतिक्रमण करून वाघांच्या अधिवासाचे क्षेत्रही कमी केले. परिणामी अन्नासाठी वाघ जवळच्या वस्त्यांवर हल्ले करू लागले आणि मानव-वाघ संबंध अधिकच बिघडले

झाले. नामशेष होण्याच्या जवळपास असलेल्या वाघांचे जतन गरजेचे असल्याचे मत आशीष गोस्वामी यांनी व्यक्त केले.

या वेळी वक्तृत्व स्पर्धाही घेण्यात आली यात. बी.एस्सी प्रथम वर्षाची विद्यार्थिनी रुपाली जाधव, तीस वर्षांचा विद्यार्थी अनुज गलाडे तर एम.एस्सी. द्वितीय विश्वजित भगत यांनी अनुक्रमे प्रथम द्वितीय व तृतीय क्रमांक प्राप्त केला. विजेत्या विद्यार्थ्यांचे प्राचार्य डॉ. आशीष ससनकर यांनी कौतुक केले. कार्यक्रमाचे संचालन स्वाती कांबळे हिने केले तर आभार संकेत गोळे याने मानले. कार्यक्रमाच्या आयोजनाकरिता प्रा. इंगोले, प्रा. महल्ले, प्रा. तेलरांधे, प्रा. पेटारे, दिनेश शेटे, अरविंद जाधव आदींनी सहकार्य केले.

वाघांचा अधिवास जपणे प्रत्येकाचे कर्तव्य

प्रा. वैभवी उघडे यांचे मत; जागतिक व्याघ्रदिनानिमित्त कार्यक्रमाचे आयोजन

सकाळ वृत्तसेवा

वर्धा, ता. २९ : वाघ हा जंगलाचा राजा. अतिशय देखणा प्राणी. आजही या प्राण्याने आपला आब, रुबाव जपला आहे. पण, तो वारंवार अडचणीत येत असला. याचे मुख्य कारण म्हणजे झपाट्याने नष्ट होणार वाघांचा अधिवास. तेव्हा एकेकाळी भारताला ओळख देणाऱ्या वाघांच्या संवर्धनासाठी त्याच्या अधिवासासाठी प्रयत्न करणे प्रत्येकाचे कर्तव्य आहे, असे मनोगत प्रा. वैभवी उघडे यांनी केले.

वसुंधरा निसर्ग कट्टा न्यू आर्ट्स कॉमर्स अँड सायन्स कॉलेज, पीपल फॉर अॅनिमल्स आणि वनविभागाच्या संयुक्त विद्यमाने जागतिक व्याघ्र दिनाच्या

वर्धा : कार्यक्रमाला उपस्थित प्रा. वैभवी उघडे व मान्यवर.

निमित्ताने आयोजित कार्यक्रमाच्या अध्यक्षीय भाषणातून व्यक्त केले. अॅनिमल्सचे आशीष गोस्वामी, कौस्तुभ गावंडे प्रमुख पाहुणे म्हणून उपस्थित होते. मंचवर वीएनएचएस अमरावतीचे शिक्षणाधिकारी गौरव कडू, पीपल फॉर अॅनिमल्सचे आशीष गोस्वामी, कौस्तुभ गावंडे उपस्थित होते. माणसाच्या हव्यासपोटी, गरजेपोटी

जंगलतोड करून स्वतःपुरता मार्ग शोधला. मात्र, त्या जागेवर परंपरेने राहात आलेले प्राणी मात्र बेघर झाले. यातून निसर्गाची अमाप हेळसांड झाली. भविष्यातील संभाव्य धोक्याचे परिणाम लक्षात घेऊन अभयारण्य व राष्ट्रीय उद्यानांची निर्मिती करण्यात आली. विशिष्ट क्षेत्र विशिष्ट प्राण्यांसाठी संरक्षित करण्यात आले. कारण तो परंपरेने चालत आलेला त्यांचा अधिवास होता. हा अधिवास संवर्धित करणे वन्यजीवांच्या संवर्धनाकरिता गरजेचे आहे असे मत गौरव कडू यांनी व्यक्त केले.

कार्यक्रमाचे प्रास्ताविक आशीष गोस्वामी यांनी केले. जागतिक व्याघ्र

दिनाच्या निमित्ताने व्याघ्र संवर्धन काळाजी गरज या विषयावर यावेळी वक्तृत्व स्पर्धाही घेण्यात आली. यात बीएस्सी भाग एकाची विद्यार्थिनी रुपाली जाधव, बीएस्सी भाग दोनचा विद्यार्थी अनुज गलाडे तर एमएस्सी भाग दोनचा विश्वजित भगत यांनी अनुक्रमे प्रथम, द्वितीय व तृतीय क्रमांक प्राप्त केला. कार्यक्रमाचे संचालन प्राचार्य डॉ. आशीष ससनकर यांनी कौतुक केले. कार्यक्रमाचे संचालन स्वाती कांबळे हिने केले तर संकेत गोळे याने आभार मानले कार्यक्रमासाठी प्रा. इंगोले, प्रा. महल्ले, प्रा. तेलरांधे, प्रा. पेटारे, दिनेश शेटे, अरविंद जाधव आदींनी सहकार्य केले.

व्याघ्र संवर्धन काळाची गरज : शिक्षणाधिकारी कडू

प्रतिनिधी / २९ जुलै

वर्धा : माणसाच्या हव्यासापोटी, गरजेपोटी जंगलतोड करून माणसाने आपल्या पुरता मार्ग शोधला. मात्र त्या जागेवर परंपरेने राहत आलेले प्राणी मात्र बेघर झाले. यातून निसर्गाची अमाप हेळसांड झाली. भविष्यातील संभाव्य धोक्याचे परिणाम लक्षात घेऊन अमरारण्य व राष्ट्रीय उद्यानांची निर्मिती करण्यात आली. विशिष्ट क्षेत्र विशिष्ट प्राण्यांसाठी संरक्षित करण्यात आली. कारण तो परंपरेने चालत आलेला त्यांचा अधिवास होता. हा अधिवास संवर्धित करणे वन्यजीवांच्या संवर्धनाकरिता गरजेचे आहे, असे मत गौरव कडू यांनी व्यक्त केले.

वसुंधरा निसर्ग कट्टा, न्यू आर्ट्स कॉमर्स अँड सायन्स कॉलेज, पीपल्स फॉर ॲनिमल आणि वन विभागाच्या संयुक्त विद्यमाने जागतिक व्याघ्र दिनाच्या निमित्ताने आयोजित कार्यक्रमात ते बोलत होते. यावेळी प्रमुख पाहुणे म्हणून मंचावर बी. एन. एच. एस. अमरावतीचे शिक्षणाधिकारी गौरव कडू, पीपल्स फॉर ॲनिमल वर्धाचे आशिष गोस्वामी, कौस्तुभ गावंडे उपस्थित होते.

कार्यक्रमाच्या अध्यक्ष प्रा. वैभव उघडे

म्हणाल्या की, वाघ हा जंगलाचा राजा अतिशय देखणा प्राणी आहे. आजही या प्राण्याने आपला आब, रुबाव जपला आहे. कदाचित त्याच्या याच डौलदारपणामुळे रुबावदारपणामुळे तो वारंवार अडचणीत येत असावा. पण यात त्याचा काहीच दोष नसतो वाघांचे काय माणूस वगळता सर्व प्राण्यांचे एक अनुकरणीय वैशिष्ट्य म्हणजे खोडी काढल्याशिवाय कोणताही प्राणी

कधीच कुणालाच इजा पोहचवत नाही अपवाद फक्त भुकेचा. पण हा निसर्ग नियम आहे तरीही प्राणी वारंवार अडचणीत येतात. यात वाघ अधिकच ! याचे मुख्य कारण म्हणजे झपाट्याने नष्ट होणार वाघांचा अधिवास. तेव्हा एकेकाळी भारताला ओळख ज्या प्राण्याने मिळाली होती त्या वाघांच्या संवर्धनासाठी त्याचा अधिवास संवर्धित करणे प्रत्येकाचे कर्तव्य आहे, असे

म्हणाल्या.

गेल्या शतकात माणसाने वाघांची अनिर्बंध शिवर केली शिवाय जंगलतोड आणि अतिक्रमण करून वाघांच्या अधिवासाचे क्षेत्रही कमी केले. परिणामी अन्नासाठी वाघ जवळच्या वस्त्यांवर हल्ले करू लागले आणि मानव - वाघ संबंध अधिकच बिघडले. नामशेष होण्याच्या जवळपास असलेला वाघ जतन करण्याची आवश्यकता निर्माण झाल्याचे मत आशिष गोस्वामी यांनी प्रास्ताविकातून व्यक्त केले. जागतिक व्याघ्र दिनाचे निमित्ताने व्याघ्र संवर्धन काळाची गरज या विषयावर यावेळी वक्तृत्व स्पर्धाही घेण्यात आली. यात बी.एस्सी भाग १ ची विद्यार्थिनी रुपाली जाधव, बी.एस्सी भाग २ चा विद्यार्थी अनुज गळांडे तर एम.एस्सी. भाग २ चा विश्वजित भगत यांनी अनुक्रमे प्रथम, द्वितीय व तृतीय क्रमांक प्राप्त केला. सर्व विजेत्या विद्यार्थ्यांचे प्राचार्य डॉ. आशिष ससनकर यांनी कौतुक केले. कार्यक्रमाचे संचालन स्वाती कांबळे हिने केले तर आमर संकेत गोळे याने मानले. यशस्वीतेसाठी प्रा. इंगोले, प्रा. महल्ले, प्रा. तेलरंधे, प्रा. पेटारे, दिनेश शेठे, अरविंद जाधव आदींनी सहकार्य केले.

Feedbacks

Feedback On Global Tiger Day Celebration 29th July 2019

1) What is your overall assessment of the event? (1 = insufficient - 5 = excellent)

1 2 3 4 5

(5)

2) Which topics or aspects of the Program did you find most interesting or useful?

The whole program was good.

3) Did the Program achieve the objectives?

Yes No

If no, why? _____

4) Knowledge and information gained from participation at this event?

Met your expectations Yes No Somehow

5) How do you think the Program could have been made more effective?

- Celebrate this day in all schools/colleges, arrange Rally to aware people.

6) Please comment on the organization of the event (from 1 = insufficient to 5= excellent)

1 2 3 4 5

7) Comments and suggestions (including activities or initiatives you think would be useful, for the future)

Originality - Drawing compition
- Power point presentation
- Poster presentation.

THANK YOU!

Report On

Importance of Cleanliness and Eradication of Dengue and Malaria

Introduction: The New Arts, Commerce and Science College, Wardha organized an awareness campaign on Dengue and Malaria at the Arvi Naka slum area on **September 30, 2019**. The initiative aimed to highlight the significance of cleanliness and the eradication of these diseases, which are prevalent in many communities, especially in areas with limited access to healthcare and sanitation facilities. Dr. Ashish Sasankar, the college principal, and Dr. Abhijit Verulkar, the secretary, led this impactful event, which saw active participation from 283 individuals.

Objectives of the Campaign:

1. To raise awareness about the importance of cleanliness in preventing the spread of Dengue and Malaria.
2. To educate the community about the signs, symptoms, and preventive measures of these diseases.
3. To promote community participation in maintaining a clean and hygienic environment.

Activities and Sessions: The awareness campaign consisted of various activities and informative sessions:

1. Educational Workshops: Experts conducted workshops on Dengue and Malaria, focusing on symptoms, transmission, and prevention methods.
2. Interactive Sessions: Participants engaged in discussions and Q&A sessions to address their concerns and misconceptions about these diseases.

☎ : (07152) - 253093,240152, Fax : 07152-240152

3. **Cleanliness Drives:** Volunteers organized clean-up drives in the slum area, emphasizing the role of cleanliness in disease prevention.
4. **Distribution of Educational Materials:** Pamphlets, posters, and brochures containing essential information were distributed among the community members.

Impact and Outcomes: The campaign yielded several positive outcomes:

1. **Increased Awareness:** Participants gained a better understanding of Dengue and Malaria, leading to improved awareness and prevention practices.
2. **Behavioral Change:** Community members were motivated to adopt hygienic habits and keep their surroundings clean, reducing the breeding grounds for disease vectors.
3. **Empowerment:** The campaign empowered individuals to take proactive measures to protect themselves and their families from mosquito-borne illnesses.
4. **Community Engagement:** The active involvement of 120 participants showcased strong community engagement and a collective effort towards public health improvement.

Conclusion: The awareness campaign on Dengue and Malaria at Arvi Naka slum area by New Arts Commerce and Science College, under the leadership of Dr. Ashish Sasankar and Dr. Abhijit Verulkar, served as a commendable initiative in promoting cleanliness and combating disease. It highlighted the pivotal role of education, community involvement, and hygiene practices in the eradication of vector-borne diseases. Such initiatives are crucial in creating healthier and more resilient communities.

Report on celebration of Wildlife Week 2019

Jointly organized by Vasundhara Nisarg Katta, New Arts commerce and Science College, Wardha and Department of Forest, Wardha

Wildlife Week is celebrated all over the country in the month of October from **2nd to 8th October** every year with the view to preserve the fauna means the animal life of the India. It was first started in the year 1952 with the great vision of saving the life of the Indian animals by taking some critical steps. It involves the planning to save animal extinction of any species of the India. The Indian Government has established an Indian Board of Wild Life which works to improve the awareness as well as the consciousness of the Indian people towards the wildlife preservation.

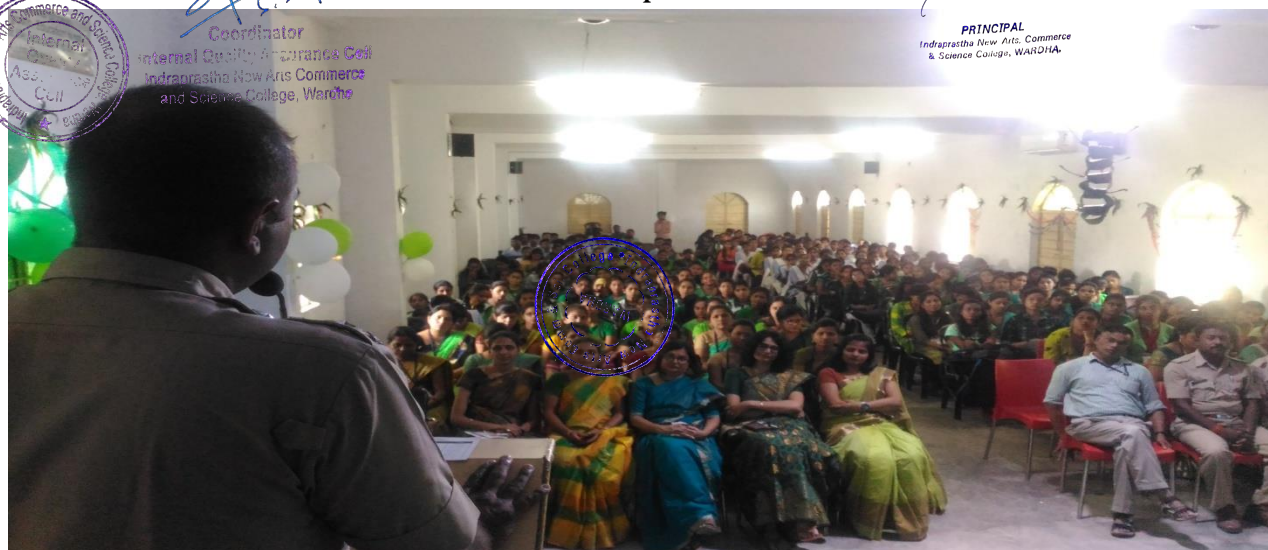

Objectives:

- > To make people more aware of the conservation and protection of the wild life.
- > To focus the people's attention towards the importance of conservation of the wild life.
- > To implement more services to preserve the wild life.
- > To discuss all the issues related to the preservation of the wild life.

Day 02; 02/10/2019 Wednesday

The occasion of 150th birth anniversary celebrations has given us an opportunity to remind the humanity of the efficacy of the message of Mahatma Gandhi. Gandhi's lessons are relevant in every policy of the country such as Swacch Bharat, rights of women and children, and of civil liberties of small and disadvantaged groups, health and well-being of the Indian farmer and the Indian village. So, initially we offered a tribute to Gandhi by carried out a cleanliness drive in the campus.

As, it was the 150th birth anniversary of Gandhiji so we offered a unique tribute to Gandhiji by planting a Peepal plant (*Bengalelsis religiosa*) produce from a mother plant planted by Gadhiji in Sevagram ashram in 194. Vasundhara Nisarg Katta took parental responsibility of same. About 80 students all teaching and non-teaching staff voluntarily participated in the drive. In the Second half about 14 students along with Dr. A. B. Sasankar, Principal and Prof S. S. Petare were participated donate the blood in the blood donation camp organized by department of forest in the memories of victims who died in the animal human conflicts at hutatma smarak, Wardha. H'ble Vivek Bhimanwar, District Collector, Dr. Sunil Sharma, DFO, Tushar Damdhare ACE Wardha visited the camp.

Day 03; 03/10/2019 Thursday

A talk on Fridays For Future by Prof. S. S. Petare which summarized as follows: FDF is a movement that began in August 2018, after 15 years old Greta Thunberg sat in front of the Swedish parliament every schoolday for three weeks, to protest against the lack of action on the climate crisis. She posted what she was doing on Instagram and Twitter and it soon went viral. On the 8th of September, Greta decided to continue striking every Friday until the Swedish policies provided a safe pathway well under 2-degree C, i.e. in line with the Paris agreement.

In Late-November 2015, an independent group of students invited other students around the world to skip school on the first day of the 2015 United Nations Climate Change Conference in Paris. On 30 November, the first day of the conference, a "Climate strike" was organized in over 100 countries; over 50000 people participated. The movement focused on three demands: 100% clean energy; keeping fossil fuels in the ground, and helping climate refugees. Strikes began to be organized around the world, inspired by Thunberg, starting in November 2018. In Australia, thousands of students began to strike on Fridays, ignoring Prime Minister Scott Morrison's call for "more learning in schools and less activism". Galvanized by the COP24 Climate Change Conference in Katowice, Poland, strikes continued at least in 270 cities in December in countries including Australia, Austria, Belgium, Canada, the Netherlands, Germany, Finland, Denmark, Japan, Switzerland, United Kingdom, and the United States.

About 40 students were get benefitted by the presentation and all support he the Greta's movement which was now their own.

Foundation which is a nonprofit company established by a couple in Wardha for promoting Sustainable Development among Students and Youth of India. Y.E.S. Foundation is a hierarchy free and equal opportunity organization which is registered under Indian Companies Act 2013.

She aware students about the Sustainable Development Goals (SDGs), or the Global Goals, which were adopted by all United Nations Member States in 2015 as a universal call to action to end poverty, protect the planet and ensure that all people enjoy peace and prosperity by 2030. The 17 SDGs are integrated that is, they recognize that action in one area will affect outcomes in others, and that development must balance social, economic and environmental sustainability.

Through the pledge to Leave No One Behind, countries have committed to fast-track progress for those furthest behind first. That is why the SDGs are designed to bring the world to several life-changing 'zeros', including zero poverty, hunger, AIDS and discrimination against women and girls.

Everyone is needed to reach these ambitious targets. The creativity, knowhow, technology and financial resources from all of society is necessary to achieve the SDGs in every context. About 104 students and 10 faculties were get benefited.

Day 07; 07 October 2019 Monday

On last day we had a trail, a trek to the biodiversity park of Forest department located in MIDC region of Wardha only. Mr. P. Waghmare, was our resource person and guide for this trail. The trail passed through lush greenery on all sides. Mr. Waghmare described the various flora and fauna that we encountered on the way long the trail, we came across a variety of flora and fauna in the form of small fresh water crabs, Balsam, Bamboo plants, snails, tulusi plants, teak trees, star flowers, etc. Mr. Waghmare enriched us with a thorough knowledge of each of these species that we encountered. During the trail we also enjoyed the surrounding small hills bordered with fresh green bamboo plants. All students enjoyed their tiffin in the shadow of trees. It was a treat to our eyes to witness the different shades of green exhibited by mother nature. H'ble D. N. Joshi, DFO, Social Forestry and H'ble Gadve, RFO, Social Forestry, Wardha also Interact with students during visit.

Finally, at 2.00 p.m. we returned to our college safe, happy and tired but mentally refreshed and enriched with this wonderful experience of the Nature Club trail. We look forward to many more trips which provide us with a good break from the hustle and bustle of city life. About 32 students were benefitted by the trail.

During valedictory function prize distribution of drawing competition was carried out. Ms Nikita Gadve anchor the program and Pallavi Chaudhari Proposed proposed vote of thanks and the with national anthem wildlife week 2019 was concluded.

Report On

Increasing Use of Plastic

Introduction:

New Arts Commerce and Science College (NACSC) Wardha organized a comprehensive event on **November 25, 2019**, focused on plastic eradication and addressing the harmful effects of increasing plastic usage on nature and human health. The event, led by Dr. Ashish Sasankar (Principal), Dr. Abhijit Verulkar (Secretary), and Prof. Sandip Petare (IQAC Coordinator), witnessed active participation from 170 students and included a poster competition highlighting the theme of plastic pollution.

Objectives of the Event:

1. Raise awareness about the detrimental impacts of plastic on the environment and human health.
2. Advocate for reducing plastic usage and promoting eco-friendly alternatives.

3. Engage students in practical initiatives for plastic waste management and eradication.

4. Foster creativity and innovative solutions through the poster competition.

Event Highlights:

1. Educational Workshops: Expert speakers delivered informative sessions on the environmental and health hazards posed by plastic pollution. Students gained insights into sustainable practices and the urgency of combating plastic waste.

☎ : (07152) - 253093,240152, Fax : 07152-240152

2. Awareness Campaigns: Students conducted extensive awareness campaigns within the college and neighboring areas, emphasizing the importance of reducing plastic waste and adopting eco-friendly habits.
3. Clean-up Drives: Participants actively engaged in clean-up drives, collecting and disposing of plastic waste from college premises and surrounding areas, contributing significantly to environmental cleanliness.
4. Poster Competition: A highlight of the event was the poster competition, where students creatively showcased the theme of plastic pollution, raising awareness through visual representation and innovative messaging.

Key Issues Addressed:

1. Environmental Degradation: Participants learned about the adverse effects of plastic pollution on ecosystems, wildlife, and marine life, highlighting the urgent need for environmental conservation.
2. Health Implications: Discussions focused on the health risks associated with plastic chemicals leaching into the environment and food chain, *So it affects people* *underlining the importance of adopting sustainable practices.*
3. Waste Management Challenges: The event addressed challenges in plastic waste management and promoted responsible disposal and recycling practices as viable solutions.

Impact and Outcomes:

1. Increased Awareness: The event significantly raised awareness among students and the community about the critical nature of plastic pollution, inspiring them to take proactive measures.

☎ : (07152) - 253093,240152, Fax : 07152-240152

2. Behavioral Change: Many participants pledged to reduce their plastic usage, promote recycling, and advocate for eco-friendly alternatives, demonstrating a positive shift in behavior towards sustainability.
3. Creative Expression: The poster competition provided a platform for creative expression and innovative solutions, fostering a deeper understanding of plastic pollution issues among participants.

Conclusion:

The plastic eradication event at NACSC, Wardha, led by Dr. Ashish Sasankar, Dr. Abhijit Verulkar, and Prof. Sandip Petare, was a remarkable success in addressing the urgent issue of plastic pollution. The inclusion of a poster competition added a creative dimension to the event, enhancing engagement and awareness among participants.

Inaugural Function of Wildlife Week 2020

The inaugural function of **Wildlife Week 2020** was successfully held on **October 1, 2020**, at New Arts Commerce and Science College Wardha. Due to the ongoing Covid-19 pandemic, the event was conducted virtually via **Zoom Meeting**, ensuring the safety and well-being of all participants.

The program was graced by the presence of esteemed personalities including Dr. Ashish Sasankar, the College Principal, Dr. Hemant Misal, the NSS Coordinator, and Prof. Sandip Petare, the IQAC Coordinator. Their presence and support added significant value to the event, highlighting the college's commitment to environmental conservation and wildlife protection.

The virtual gathering witnessed active participation from 345 beneficiaries, including students, faculty members, and environmental enthusiasts. The event featured insightful discussions, presentations, and interactive sessions aimed at raising awareness about the importance of wildlife conservation and environmental sustainability.

A noteworthy moment of the program was the vote of thanks delivered by Prof. Vikram Newal, expressing gratitude to all participants, speakers, and organizers for their valuable contributions and dedication towards making the Wildlife Week inaugural function a resounding success.

This event served as a platform to inspire and educate individuals about their role in preserving our natural heritage and fostering a harmonious coexistence with wildlife.

Talk on Greenhouse Effect in Wildlife Week

The third day of Wildlife Week on October 3, 2020, witnessed an enlightening talk on the Greenhouse Effect at New Arts Commerce and Science College Wardha. The event, conducted via Zoom Meeting due to Covid-19 restrictions, garnered participation from 359 beneficiaries, including students, faculty, and guests.

The program was honored by the presence of distinguished personalities such as Dr. Ashish Sasankar, the College Principal, Dr. Hemant Misal, the NSS Coordinator, Prof. Sandip Petare, the IQAC Coordinator, and Dr. R.G. Bhojar, the College President. Dr. R.G. Bhojar delivered an insightful talk on the Greenhouse Effect, providing valuable insights into its environmental impact and the importance of adopting sustainable practices to combat climate change.

The session sparked engaging discussions among participants, encouraging them to reflect on their roles in environmental stewardship and promoting eco-friendly behaviors.

A significant moment during the event was the vote of thanks delivered by Prof. Praful Ambore, expressing gratitude to the speakers, organizers, and attendees for their active participation and contributions towards making the session impactful.

This session not only increased awareness about the Greenhouse Effect but also inspired individuals to take concrete actions towards environmental conservation and sustainability.

Talk on Pollution-Free Environment in Wildlife Week

The fourth day of Wildlife Week on October 5, 2020, witnessed an informative talk on creating a pollution-free environment at New Arts Commerce and Science College Wardha. The event, conducted via Zoom Meeting due to Covid-19 protocols, saw the participation of 349 beneficiaries, including students, faculty, and guests.

The program was graced by the presence of Dr. Ashish Sasankar, the College Principal, Dr. Hemant Misal, the NSS Coordinator, and Prof. Sandip Petare, the IQAC Coordinator. Prof. Kanchan Bhojar delivered an insightful talk focusing on pollution-free environments, highlighting the importance of sustainable practices and community involvement in combating pollution.

The session stimulated engaging discussions among participants, encouraging them to explore practical solutions and individual actions to promote a cleaner and healthier environment.

A significant moment during the event was the vote of thanks delivered by Prof. Ughade, expressing gratitude to Prof. Kanchan Bhojar for the enlightening talk, as well as to the organizers and attendees for their active participation and contributions.

This session not only raised awareness about pollution issues but also inspired individuals to take proactive steps towards creating a more sustainable and pollution-free environment for future generations.

Report: International Human Rights Day Celebration

Introduction: On 10th December 2020, New Arts Commerce and Science College (NACSC), Wardha, observed **International Human Rights Day** with a gathering of esteemed dignitaries and participants. The event took place at the college premises at 10:00 AM, adhering to all COVID-19 safety protocols. Present at the event were the Principal of the college, Dr. Ashish Sasankar, IQAC Coordinator Prof. Sandip Petare, NSS Coordinator Dr. Hemant Misal, Coordinator of Political Science Dr. Pramod Achegave, and Dr. Prashant Kadwe, along with 213 attendees.

Principal's Speech: Dr. Ashish Sasankar, the Principal, initiated the event with an enlightening introductory speech. He underscored the significance of International Human Rights Day and emphasized the importance of upholding human rights principles, particularly during the COVID-19 pandemic. Dr. Sasankar highlighted the role of educational institutions in fostering awareness and advocacy for human rights.

Dr. Pramod Achegave's Speech: Subsequently, Dr. Pramod Achegave, the Coordinator of Political Science, delivered a profound speech on the same topic. Dr. Achegave delved into the historical context of human rights, explored contemporary challenges, and underscored the importance of collective action in safeguarding human rights. He urged the audience to actively engage in initiatives aimed at promoting and protecting human rights.

The event concluded with Prof. Sandip Petare, the IQAC Coordinator, delivering a gracious vote of thanks. He expressed heartfelt gratitude to all dignitaries, participants, and organizers for their contributions to the success of the International Human Rights Day celebration. Prof. Petare reiterated the importance of continued advocacy and action for the protection of human

Report: World Water and Sanitation Day Event

New Arts, Commerce and Science College (NACSC) Wardha commemorated **World Water and Sanitation Day** on **March 22nd, 2021**, through a significant online gathering held via Zoom, navigating the challenges posed by the ongoing COVID-19 pandemic. The event witnessed the presence of key figures from our college administration and faculty, including Dr. Ashish Sasankar, the College Principal, Dr. Abhijit Verulkar, the College Secretary, Dr. Prashant Kadwe, Head of Department (B.A.), and Prof. Sandip Petare, IQAC Coordinator.

Dr. Ashish Sasankar, in his address, emphasized the paramount importance of water conservation and sanitation practices in contemporary society. He urged the audience to recognize the urgency of adopting sustainable water management strategies and to actively participate in initiatives aimed at raising awareness.

Following Dr. Sasankar's speech, Dr. Abhijit Verulkar shared valuable insights on the theme, enriching the discourse with his expertise. He provided a deeper understanding of water-related issues, emphasizing the collective responsibility in addressing these challenges.

The event concluded with a vote of thanks delivered by Prof. Vikram Newal, expressing gratitude to all participants for their active engagement and meaningful contributions. Prof. Newal reiterated the college's commitment to promoting environmental sustainability and encouraged continued participation in initiatives aimed at safeguarding our planet's precious resources.

The event served as a platform for meaningful dialogue and reflection, reaffirming the college's dedication to raising awareness and fostering positive change within our community. During the event, we were privileged to have 346

Report: World Environment Day Celebration

Introduction: On 5th June 2021, Indraprastha New Arts Commerce and Science College (INACSC), Wardha, organized a virtual celebration of World Environment Day amidst the COVID-19 pandemic. The event, held via Zoom at 11:15 AM, witnessed the presence of distinguished personalities including the Principal, Dr. Ashish Sasankar, IQAC Coordinator Prof. Sandip Petare, NSS Coordinator Dr. Hemant Misal, Dr. Pramod Achegave, and Dr. Prashant Kadwe, along with 292 participants.

Principal's Speech: Dr. Ashish Sasankar, the Principal, commenced the event with an enlightening introductory speech. He emphasized the significance of World Environment Day and underscored the importance of environmental conservation, especially during the ongoing pandemic. Dr. Sasankar highlighted the role of educational institutions in promoting sustainable practices and urged everyone to take proactive steps towards protecting our environment.

Following the Principal's speech, Prof. Sandip Petare, the IQAC Coordinator, delivered an insightful speech. He shared his thoughts on the theme of World Environment Day and elaborated on his article published in Lokmat Newspaper on the same day. Prof. Petare emphasized the need for collective action to address environmental challenges and encouraged individuals to adopt eco-friendly habits in their daily lives.

Conclusion: Dr. Pramod Achegave expressed heartfelt gratitude to all dignitaries, participants, and organizers for their valuable contributions to the World Environment Day celebration. He concluded the program by reiterating the importance of environmental conservation and encouraging everyone to continue their efforts towards building a sustainable future for generations to come.

सुट्टीला पुनरुज्जीवन मिळाले. त्यामुळे
पर्यावरण दिनानिमित्त टाळेबंदीचा
पर्यावरणावर काय परिणाम झाला,
याचा पर्यावरण अभ्यासकारांनी चर्चा
करणे घडविलीत. जागतिक पर्यावरण

हवेची गुणवत्ता १

टाळेबंदीदरम्यान संपूर्ण जागातच औद्योगिक दसाहती,
दळणवळण, सर्व सामान्य वाहतूक बंद झाल्याने, जीवाश्म
इंधनाच्या मर्यादित वापराने एकूणच हवेच्या गुणवत्तेवर
फारच सकारात्मक सुधारणा झाली. या सर्वातून उत्सर्जित
होणाऱ्या कार्बनचे प्रमाण जागतिक पातळीवर ७ टक्क्यांनी
कमी झाल्याचे समोर आले. प्रामुख्याने रिफायनरी पोलाद
ऑक्सिडाईड व इतर संयुगात ४५ ते ५५ टक्के घसरण
झाल्याची नोंद युरोपियन स्पेस एजन्सीने केली आहे.
हवेतील धूलिकण पदार्थांच्या प्रमाणातही ४० टक्के घेक्षा
अधिक घट झाल्याची नोंद दिल्ली शहरात केली आहे.

नैसर्गिक जल स्रोत २

औद्योगिक दसाहतीतून सोडल्या जाणाऱ्या
पाण्यात घट झाल्याने पाण्यात साचणाऱ्या
किरलेक प्रदूषकांत घट झाली. परिणामी
जलस्रोतांची गुणवत्ता सुधारली आणि पाण्यातील
माश्यासाह इतर जलचरांचा संचार अधिक प्रभावी
झाला. पाण्यातील तळ सहज दृष्टीस पडायला
लागले. तसेच मासेमारीसह, जलवाहतूकही
पूर्णपणे बंद असल्याने उत्तरप्रदेशातील प्रयागराज
यथे गंगा व यमुना नदीच्या संगमावर नवीन
नदीपात्राची निर्मिती व्हायला सुरुवात झाल्याचे
निदर्शनात आले.

ध्वनी प्रदूषण ३

कारखाने, दळणवळण, सामान्य वाहतूक व
बाजारपेठेतून होणाऱ्या ध्वनी प्रदूषणाने स्मृतीभंग,
बहिर्पणा, डोकेदुखी, लकवा, हृदय
विकारासारख्या अनेक आजारांना आमंत्रण मिळते.
या कोविड काळात जगभरातील ध्वनी प्रदूषणात
६० डेसिबल एवढी घट झाल्याचे लक्षात आले. जे
मानवी आरोग्यास फारच हितकारक आहे.
सागरांमध्ये बंद झालेल्या जलवाहतूकीने
सागरांमध्येही जल प्रदूषण कमी झाल्याने व्हेल,
डॉल्फिन सारख्या जलचरांच्या संचारातही अचानक
बदल आढळून आले.

पर्यावरणाचे आपल्याभोवती असणे आपण गृहीत धरून गेली काही दशके
त्यातील विविध घटकांची हानी कतत आली आहे. परंतु पर्यावरणाचा
समतोल ढसळण्याचे परिणाम जगभरात दिसू लागल्याने, याबाबत जागृती
कारण्याची गरज उत्पन्न झाली आहे. म्हणूनच जागतिक पर्यावरण दिनाच्या
माध्यमातून संयुक्त राष्ट्रसंघाच्या पर्यावरण विषयक कार्यक्रमांद्वारे पर्यावरण
संरक्षण आणि संवर्धनासाठी राजकीय, औद्योगिक तसेच सर्वसामान्य नागरिकांच्या
पातळीवर कृतिशील सहभाग मिळविण्याचे उद्दीष्ट ठेवले गेले. त्यानुसार शाश्वत
विकासावर भर देण्यात येत आहे. यंदा भारतामध्ये २०२१ च्या पर्यावरण दिनाची
संकल्पना परिसंस्था पुनरुज्जीवन ही ठेवण्यात आली आहे. पण, खरंच मानवी
जीवनासाठी मारक ठरलेला टाळेबंदीचा काळ पर्यावरण परिसंस्थेच्या

पुनरुज्जीवनासाठी (इकोसिस्टिम रिस्टोर्शनसाठी) तारक
ठरला असंच म्हणावं लागणार आहे.

प्रा.संदीप पेठारे, जैवतंत्रज्ञ
विभाग, न्यू आर्ट्स

कॉलेज, वर्धा

कोविड टाळेबंदी आणि जीवनसृष्टी

वन्यजीव

वन्यजीवांचा स्वतंत्र अभ्यास करण्या-
करिता टाळेबंदीचा काळ सर्वोत्तम
ठरल्याचे अनेक संशोधक मानतात.
निसर्गात अनपेक्षितपणे मर्यादित
झालेल्या मानवी दबाववळीने
वन्यप्राण्यांच्या वर्तणुकीत असामान्य
बदल झाले. मोर लांडोरांचा मुंबई,
दिल्लीच्या सूर्यांवरील मूक संचार,
हेदावादच्या रस्त्यावर विबट्या, इरण
अवलांनी नुसता भिडणे रस्त्याची सैर
केल्याप्रमाणे.

पक्षी व फुलपाखरे

ध्वनी व वायू प्रदूषणाचा पक्षी व फुलपा-
खरांच्या अनेक प्रजातीवर घातक परीणाम
होत आहे, परंतु टाळेबंदीने मर्यादित
झालेल्या मानवी हस्तक्षेपाने हे प्रदूषण
कमी झाल्यामुळे बिल स्टोर्क, रंगीत स्टोर्क,
राबी बगळा, चमच्या, आयबीस सारख्या
अनेक पक्ष्यांच्या स्थलांतर काळात बदल
झाला. साधारणतः मार्चमध्ये स्थलांतरित
झाले. काही पक्ष्यांच्या प्रजनन काळातही
बदल झाला.

पाळीव प्राणी

या काळात कुत्रा,
माजरांसारख्या पाळीव
प्राण्यांमध्ये कुत्र व
आक्रमकपणा
वाढल्याचे दिसून
आले. तर पर्यटन
घटल्याने माऊंडा-
सारखे प्राणी अनाच्या
शोधात मानवी
यस्यांत निवडणुके
दिसू लागले.

मानवी जीवनशैली

मास्क वापरणे, वारंवार हात धुणे, सॅनि-
टायझरचा वापर करणे, अशा बऱ्याच
सवयी माणसाला अचानकपणे
अंगीकृत कराव्या लागल्या. ऑनलाईन
अभ्यास, ऑनलाईन परीक्षा, वर्कफ्रॉम
होम सारख्या नवीन संकल्पनाही
स्वीकारल्या लागल्या. ताळेबंदीने
अनेकांचा रोजगार हिरावल्याने नैराश्य,
एकाकीपणा, थकवा, चिंता, चिडचि-
डेपणा, न्यूनगंड, गुन्हेगारी सारख्या
समस्याही वाढल्यात.

Report On

Importance of Cleanliness and Eradication of Dengue and Malaria

Introduction: On **01/07/2021**, New Arts, Commerce and Science College, Wardha, organized a comprehensive Climate Change Awareness Campaign coupled with a Tree Plantation Program. The event aimed to educate participants about the impact of climate change and encourage sustainable practices while contributing to environmental conservation through tree planting.

Key Highlights:

1. Climate Change Awareness Campaign:

- **Objectives:** The campaign aimed to raise awareness about climate change science, causes, effects, and mitigation strategies.
- **Activities:** Information sessions, workshops, panel discussions, and interactive activities were conducted to educate participants about sustainable living practices, energy conservation, waste reduction, and eco-friendly alternatives.
- **Experts' Insights:** Eminent speakers and experts in environmental science, conservation, and sustainability shared valuable insights and recommendations during panel discussions and workshops.

Community Engagement: Students, faculty, staff, and community members actively participated, demonstrating their commitment to environmental stewardship.

2. Tree Plantation Program:

Mahila Vikas Sanstha's

INDRAPRASTHA NEW ARTS COMMERCE & SCIENCE COLLEGE,

Recognised by U.G.C New Delhi
under section 2 (f) & 12 (b) of
UGC act 1956

- Objective: To contribute to environmental conservation and combat climate change by planting trees.
- Activities: Participants engaged in a tree plantation drive, where saplings were planted in designated areas within the college premises or a chosen location.
- Species Selection: Native tree species were selected based on environmental suitability and ecological benefits, ensuring long-term sustainability.
- Impact: The tree plantation program aimed to enhance green cover, improve air quality, mitigate carbon emissions, and promote biodiversity.

Safety Measures:

- All participants adhered to COVID-19 safety guidelines, including wearing masks, maintaining physical distance, and practicing hand hygiene during the event.

Collaboration and Support: The success of the event was made possible through collaborative efforts from students, faculty, staff, and community members. The support and guidance of college administration, including Principal of INACSC Dr. Ashish Sasankar, IQAC Coordinator Prof. Sandip Petare, Dr. Madan Ingle, Dr. Hemant Misal (NSS Coordinator), were instrumental in organizing and executing the campaign and tree plantation program effectively.

Conclusion: The Climate Change Awareness Campaign and Tree Plantation Program were impactful initiatives that promoted environmental consciousness, sustainable practices, and active participation in environmental conservation efforts. By engaging in such activities, the college community contributes positively to creating a greener and healthier environment.

Inaugural Function of Wildlife Week 2020

The inaugural function of **Wildlife Week 2020** was successfully held on **October 1, 2021**, at New Arts Commerce and Science College Wardha. Due to the ongoing Covid-19 pandemic, the event was conducted virtually via **Zoom Meeting**, ensuring the safety and well-being of all participants.

The program was graced by the presence of esteemed personalities including Dr. Ashish Sasankar, the College Principal, Dr. Hemant Misal, the NSS Coordinator, and Prof. Sandip Petare, the IQAC Coordinator. Their presence and support added significant value to the event, highlighting the college's commitment to environmental conservation and wildlife protection.

The virtual gathering witnessed active participation from 313 beneficiaries, including students, faculty members, and environmental enthusiasts. The event featured insightful discussions, presentations, and interactive sessions aimed at raising awareness about the importance of wildlife conservation and environmental sustainability.

A noteworthy moment of the program was the vote of thanks delivered by Prof. Vikram Newal, expressing gratitude to all participants, speakers, and organizers for their valuable contributions and dedication towards making the Wildlife Week inaugural function a resounding success.

This event served as a platform to inspire and educate individuals about their role in preserving our natural heritage and fostering a harmonious coexistence with wildlife.

Report: Cleanliness Drive on Mahatma Gandhi Jayanti

Introduction: On **October 2, 2021**, Indraprastha New Arts, Commerce and Science College, Wardha, organized a combined cleanliness drive and No Vehicle Day celebration in honor of Mahatma Gandhi Jayanti. The event aimed to promote cleanliness, environmental awareness, and sustainable transportation practices among students, faculty, and staff members.

Key Highlights:

1. Date and Location: The event took place on **October 2, 2021**, at INACSC
2. Participants: Students, faculty, and staff actively participated in both the cleanliness drive and the No Vehicle Day celebration, showcasing their commitment to environmental stewardship and sustainable living.
3. Cleanliness Drive Activities: The drive included garbage collection, waste segregation, and beautification of the designated area, contributing to a cleaner and more aesthetically pleasing environment.
4. No Vehicle Day Celebration: Participants pledged to reduce carbon emissions by opting for eco-friendly modes of transportation such as cycling, walking, or carpooling. This initiative aimed to raise awareness about the environmental impact of vehicular pollution and promote sustainable transportation practices.

5. Safety Measures: COVID-19 safety protocols were strictly followed throughout the event to ensure the safety and well-being of all participants.

Collaboration and Support: The success of the event was made possible through the collaborative efforts of students, faculty, and staff members. The support and guidance of college administration, including College Principal Dr.

Mahila Vikas Sanstha's

Talk on Importance of Water Conservation in Wildlife Week

The seventh day of Wildlife Week on October 4, 2021, featured an enlightening talk on the importance of water conservation at New Arts Commerce and Science College Wardha. The event, conducted via Zoom Meeting due to Covid-19 restrictions, saw a participation of 364 beneficiaries, including students, faculty, and guests.

The program was graced by the presence of Dr. Ashish Sasankar, the College Principal, Dr. Hemant Misal, the NSS Coordinator, and Prof. Sandip Petare, the IQAC Coordinator. Prof. Mangesh Acharya from JVM Devgram delivered a highly insightful and engaging talk on the significance of water conservation, highlighting its crucial role in preserving natural ecosystems and ensuring sustainable water resources for future generations.

The session sparked meaningful discussions among participants, emphasizing the need for collective efforts in water conservation and responsible water management practices.

A notable moment during the event was the vote of thanks delivered by Prof. Nikita Jaiswal, expressing gratitude to Prof. Mangesh Acharya for the enlightening talk, as well as to the organizers and attendees for their active engagement and contributions towards promoting water conservation awareness.

This session not only raised awareness about the importance of water conservation but also inspired individuals to take proactive steps towards conserving this precious resource.

Talk on Environmental Issues in Wildlife Week

The seventh day of Wildlife Week on October 7, 2020, featured an insightful talk on environmental issues at New Arts Commerce and Science College Wardha. The event, conducted via Zoom Meeting in adherence to Covid-19 protocols, attracted 337 beneficiaries, including students, faculty, and guests.

The program was honored by the presence of Dr. Ashish Sasankar, the College Principal, Dr. Hemant Misal, the NSS Coordinator, and Prof. Sandip Petare, the IQAC Coordinator. Prof. Vilas Hadge delivered a highly informative and engaging talk on various environmental issues, shedding light on their significance, challenges, and possible solutions.

The session sparked meaningful discussions among participants, emphasizing the need for collective action and awareness towards addressing environmental concerns and promoting sustainable practices.

A notable moment during the event was the vote of thanks delivered by Prof. Asmita Deshmukh, expressing gratitude to Prof. Vilas Hadge for the enlightening talk, as well as to the organizers and attendees for their active engagement and contributions towards raising environmental awareness.

This session not only highlighted key environmental issues but also inspired individuals to take proactive steps in conserving and protecting our environment for a better tomorrow.

Report: COVID-19 Vaccination Campus

Introduction: On **October 14, 2021**, Indraprastha New Arts Commerce and Science College, Wardha, in collaboration with the Physical Education Department and the Department of Biotechnology, organized a **COVID-19 Vaccination Campus on campus**. The event aimed to facilitate vaccination for students, faculty, staff, and members of the local community to combat the COVID-19 pandemic effectively.

Key Collaborators:

- Physical Education Department: Provided logistical support and venue arrangements for the vaccination drive.
- Department of Biotechnology: Offered expertise and guidance on vaccination procedures and safety protocols.

Event Details:

- Vaccination Type: The campus offered COVID-19 vaccination for eligible individuals, including first dose, second dose, or both, as per vaccination guidelines.
- Eligibility: The event was open to all eligible individuals based on the vaccination criteria established by health authorities.
- Collaborative Efforts: The collaboration between different departments ensured smooth coordination and effective implementation of the vaccination drive.

Safety Measures: Stringent COVID-19 safety measures were enforced, including mask-wearing, physical distancing, sanitization, and temperature checks, to prioritize the health and safety of participants and staff.

Participation and Impact:

- Students, faculty, and staff actively participated in the vaccination campus, demonstrating a collective commitment to public health and safety.
- The event contributed significantly to increasing vaccination coverage within the college community and the surrounding area, playing a vital role in the fight against the COVID-19 pandemic.

Community Outreach:

- The vaccination campus also extended its outreach to the local community, encouraging residents to avail themselves of the vaccination opportunity and protect themselves from COVID-19.
- Information sessions were conducted to address vaccine-related queries and promote vaccine literacy among participants.

Conclusion: The COVID-19 Vaccination Campus organized by Indraprastha New Arts Commerce and Science College, Wardha, in collaboration with the Physical Education Department and the Department of Biotechnology, exemplified proactive measures in public health management. The collaborative effort and active participation underscored the collective resolve to overcome the challenges posed by the pandemic.

Future Initiatives: Continued collaboration and proactive initiatives are recommended to sustain vaccination efforts, promote vaccine equity, and ensure community resilience against COVID-19.

Report: Second Dose COVID-19 Vaccination Campus

Introduction: On January 1, 2022, Indraprastha New Arts Commerce and Science College, Wardha, in collaboration with the Physical Education Department and the Department of Biotechnology, organized a Second Dose COVID-19 Vaccination Campus. The event aimed to administer the second dose of COVID-19 vaccine to individuals who had completed the recommended interval since their first dose.

Key Collaborators:

- Physical Education Department: Provided logistical support, venue arrangements, and volunteer assistance.
- Department of Biotechnology: Offered expertise in vaccination procedures, safety protocols, and healthcare management.

Event Details:

- **Vaccination Type:** The campus exclusively administered the second dose of COVID-19 vaccine as per the vaccination schedule recommended by health authorities.
- **Eligibility:** Participants were required to have completed the recommended interval since receiving their first dose of the COVID-19 vaccine to be eligible for the second dose.
- **Collaborative Efforts:** The collaborative efforts of different departments ensured smooth coordination, efficient vaccine administration, and adherence to safety protocols.

Safety Measures: Stringent COVID-19 safety measures were implemented, including mask-wearing, physical distancing, temperature checks, and sanitization, to ensure the safety of participants and staff.

Vaccination Process:

- Participants arrived at the designated vaccination site within the college premises, where they underwent registration and verification of eligibility.
- Trained healthcare professionals administered the second dose of the COVID-19 vaccine, following standardized vaccination protocols and guidelines.
- Post-vaccination observation areas were set up to monitor participants for any immediate adverse reactions, ensuring prompt medical assistance if needed.

Participation and Impact:

- Students, faculty, staff, and members of the local community who met the eligibility criteria actively participated in the Second Dose COVID-19 Vaccination Campus.
- The event contributed significantly to increasing vaccination coverage and achieving community immunity against COVID-19, reinforcing public health efforts.

Community Outreach:

- Information booths and educational materials were provided to address vaccine-related inquiries, promote vaccine literacy, and dispel myths or misinformation.

- The collaboration with community healthcare partners enhanced access to vaccination and encouraged broader community engagement in COVID-19 mitigation strategies.

Conclusion: The Second Dose COVID-19 Vaccination Campus organized by Indraprastha New Arts Commerce and Science College, Wardha, in

Report: World Biodiversity Day Celebration

Introduction: On **23rd May 2022**, Indraprastha New Arts Commerce and Science College (INACSC), Wardha, extended a warm welcome to all dignitaries and attendees to commemorate **World Biodiversity Day**. The esteemed guests included the Principal of the college, Dr. Ashish Sasankar, IQAC Coordinator Prof. Sandip Petare, NSS Coordinator Dr. Hemant Misal, Dr. Pramod Achegave, and Dr. Prashant Kadwe, along with students and faculty members.

Principal's Speech: Dr. Ashish Sasankar, the Principal of INACSC, delivered an insightful introductory speech, emphasizing the significance of World Biodiversity Day and the importance of biodiversity conservation. He highlighted the crucial role of educational institutions in raising awareness and fostering a sense of responsibility towards protecting our planet's biodiversity.

Prof. Sandip Petare's Speech: Following the Principal's speech, Prof. Sandip Petare, the IQAC Coordinator, shared his thoughts on biodiversity conservation, drawing from his recent article published in **Sakal News Paper**. He elaborated on the importance of preserving biodiversity hotspots, combating biodiversity loss, and promoting sustainable practices to protect our planet's ecological balance.

Dr. Pramod Achegave extended heartfelt thanks to all dignitaries, speakers, and attendees for their valuable contributions to the World Biodiversity Day celebration. He reiterated the significance of biodiversity conservation in ensuring a sustainable future for humanity and the planet. Dr. Achegave concluded the program by urging everyone to take proactive measures in preserving biodiversity and fostering harmony with nature.

**जैवविविधता
दिन विशेष**
प्रा. संदीप पेटारे

पृथ्वीवरील जैवविविधता खरोखरच थक्क करणारी आहे, याबाबत योग्य माहितीचा प्रचार-प्रसार झाल्यास तिच्या संवर्धनासाठी हातभार लागेल, या विचाराने जैवविविधता दिन २२ मे रोजी साजरा केला जातो. सृष्टीतील प्रत्येक जीव हा इतर जीवांवर अवलंबून आहे. इतर जीवांना धोक्यात आणून मानवी जीवन फार काळ सुखी होऊ शकणार नाही, याचे भान ठेवून सर्व सजीवांना जगवणे गरजेचे आहे. त्यासाठी मानवाने सर्वांसोबत सौख्य ठेवले पाहिजे.

जगी या सर्व जीवांचा मेळा..

जैवविविधता म्हणजे सजीवांच्या विविध जाती-प्रजातींमधील वैविध्य. सर्व सजीब नेहमीच आपसोसोबत काही अजैविक घटकांनी तालमेल राखून राहतात. ज्याला आपण परिसंस्था म्हणतो. जैवविविधता बऱ्याच प्रमाणात भूभागामुळे होवामानावर अवलंबून असते. उदाहरणार्थ उष्णपट्टेदेशीय भागामध्ये जैवविविधता अधिक, तर ध्रुवीय भागामध्ये विविधता कमी असते. सजीवांची पृथ्वीवर निर्मिती झाल्यापासून आजपर्यंत पाच वेळा मोठ्या प्रमाणात आणि अनेक वेळा लहान प्रमाणात जैवविविधतेचा नाश झाला आहे. फेनेलेटोडोझिक महाकल्पामध्ये (५४ कोटी वर्षांपूर्वी) जैवविविधतेचा महाविकास 'कॅम्ब्रियनकल्पामधील विविधतेचा स्फोट' या नावाने ओळखला जातो. बहुशैथिल्य सजीवांमधील सर्व संचांची (फायलम) निर्मिती झालेली होती. त्यांपुढील ४० कोटी वर्षांमध्ये जैवविविधतेचा पुनःपुन्हा नाश झालेला होता. 'कार्बोनिफेरस' युगामध्ये सदाहरित वनांमधील वनस्पती आणि प्राण्यांचा नाश झाला. 'पर्मियन ट्रायासिक' युगामध्ये २५ कोटी वर्षांपूर्वी झालेला जैवविविधतेचा नाश सर्वांत मोठा होता. तीन कोटी वर्षांपूर्वी पृथ्वीची सर्वांगांनी पुन्हा एकदा आपला जम बसवला. साडेसाठ कोटी वर्षांपूर्वी झालेला 'क्रिटेशियस-टर्शरी विनाश' हा जैवविविधतेचा काळातील जैवविविधतेचा नाश होय. याच काळात डायनोसॉर नष्ट झाले. जैवविविधतेमध्ये भागसाचा प्रवेश झाल्यानंतर जैवविविधता आणि जनुकीय विविधता हळूहळू नाहीशी होत आहे. यास 'हॉलोसिन विनाश' असे म्हटले जाते. पूर्वी घराच्या आजूबाजूला येवगेळी फळांची व फुलांची झाडे लावली जायची. त्याच पक्षी, पुरलमाखरं बागडायची, पण सध्या स्थितीत रमणीकडे वाढल्याची कोक्रीटकरणांमुळे परिसरच नाही आहे तेवढ्यात शोषित झाले लावली जातात. असेच होत राहिले तर पुरलमाखरंनी बागडायचे कुटे, माच कोडे शोषायचा? एवढ्याच निरसननिर्मिती ही एक अद्भुत प्रक्रिया आहे, ज्यामध्ये ब्रह्मांडाच्या निर्मितीपासून सृष्टीतील अनेक रूपे आकाराला आली आहेत. वनस्पतीपासून इतर जीवांची प्रजाती या निरसणाच्या अनाकलनीय चमत्कार आहे, परंतु पर्यावरणातील अति मानवी हस्तक्षेपामुळे सुंदर धरतल क्रीक, वनस्पती, पक्षी, प्राणी समृद्धी जीव लुप्त झाले आहेत. काही लुप्त होण्याच्या अग्दी काळवर आहेत. शास्त्रज्ञांच्या अभ्यासांनुसार २४ तासांना जवळपास २०० प्रजाती नष्ट होत आहेत. पर्यावरणातील मानवी हस्तक्षेप हे याचे मूळ आहे, यात काही शंका नाही. याचाच प्रभाव या जीवसृष्टीच्या पतनाला कारणीभूत ठरतोय. मानवाचा अतिहय्यास हे निरसनचक्र

खिळखिळे करू पाहतोय. 'जीव जीवस्य जीवनम्' या संस्कृत वचनानुसार सृष्टीतील प्रत्येक जीव हा इतर जीवांवर अवलंबून आहे. तेव्हा इतर जीवांना धोक्यात आणून मानव प्राणी इथे फार काळ सुखी राहू शकणार नाही. जैवविविधतेविना मानवी जीवन अशक्य आहे. जगातील विकसनशील देशातील जैवविविधतेच्या नष्ट होण्याची कारणे बंधितव्यास अज्ञान, वाढलेली लोकसंख्या, नैसर्गिक संसाधनांचा अविचारी वापर, विज्ञानाचा अस्वीकार या बाबी समोर येतील. या जगात एवढ्या किती जीव असावेत, हे अजून पूर्णपणे उलगडले नसले तरी एका वैज्ञानिक शोधपरिचिच्या आधारे २०१६ साली पृथ्वीवरील जीवांची संख्या ३० लाख ते १० दशलक्ष असावी, असा अंदाज आहे. आजपर्यंत जगात एकूण १४ लाख ३५ हजार ६६२ प्रजातींनी ओळख घेतली आहे आणि कितीतरी प्रजाती अजून ओळखल्याच गेल्या नाहीत. ओळखल्या गेलेल्या प्रजातींची सात लाख ५१ हजार प्रजाती कीटकांच्या आहेत. २ लाख ४८ हजार वनस्पती, २ लाख ८१ हजार प्राणी, ६८ हजार जीवांम, २६ हजार बुरशी, ४८ हजार जीवाणू आणि एक हजार विषाणूच्या प्रजातींचा समावेश होतो. नासले उपाहयवकन केलेल्या पाहणीत टाणे खाडीमधील खारफुटीच्या जंगलाचे (मॉरॉक) क्षेत्रफळ हे गेल्या १९ वर्षांत ३६ टक्क्यांनी घटल्याचे लक्षात आले आहे. २००४ च्या त्सुनामी तडाख्यातही केवळ खारफुटीमुळे तिमिळनाडूमधील दोन गावांत मनुष्यहानी शून्य होती. त्यांनी केलेल्या खारफुटी संवर्धनाचा गौरव संपूर्ण जगाने केला होता, हे आपल्याला माहीत आहेच. ऋषीवाक्य, त्सुनामी आणि समुद्राच्या पाणी पातळीत वाढ या आपत्तीपासून किनाऱ्यापट्टीचे संरक्षण करणारे खारफुटीचे जंगल वाढविण्याचा महाराष्ट्र शासनाचा निर्णय आहे; परंतु बांधकामांना मिळणाऱ्या प्राधान्यामुळे खारफुटीचा होत असलेला विनाश ही भविष्यातील अनेक आपत्तींची पेरणी करण्यासारखा आहे. निरमाला प्रदूषित करून त्याची वाट लावल्याने येणाऱ्या पिढ्यांना या शक्यता सुवाचे जीवन जगता येईल, असे वाटत नाही. वृक्ष हे पृथ्वीवरील अत्यंत महत्त्वाचे स्वयंपोशी सजीव आहेत. अलीकडेच अमेरिकेतील येल् प्रिडान्नीवरील वैज्ञानिकांच्या चमूने उपाहयच्या साह्याने केलेल्या एका संशोधनात असा अंदाज बांधला आहे की, जगात आता प्रसृत तीन ट्रिलियन (म्हणजे तीन हजार अब्ज) झाडे उरली आहेत. पुढील काही वर्षांत जगाच्या मनुष्यसंख्येचा अंदाज सात अब्ज आहे. याचा अर्थ असा होतो की, पृथ्वीवर अकरा अब्ज मनुष्यसंख्येचा अंदाज आहे. म्हणून अलीकडेच झालेल्या अंतरिक्षातील प्रवास आशावादी वा वास्तववादी वा वास्तववादी वा वास्तववादी असले तरी आपल्या सर्वांचे पर्यावरण एकच आहे! (लेखक वर्षे यथील इंडियन न्यू अटॉम्-कॉमर्स अँड सायन्स कॉलेजमधील जैव विज्ञान विभागात कार्यरत आहेत.) sandypelare@gmail.com

Report On

Climate Change Awareness Activity

Introduction: On **July 1, 2022**, INACSC, Wardha, in collaboration with the Inner Wheel Club, organized a significant event focused on **Climate Change Awareness**. The event aimed to educate students about climate change issues, solutions, and the importance of environmental stewardship. It witnessed active participation from 230 students and included the leadership of Dr. Ashish Sasankar, Dr. Abhijit Verulkar, Prof. Sandip Petare, Rupali Dange, and a tree plantation program.

Objectives:

- 1. Raise Awareness:** Educate participants about the causes and effects of climate change, emphasizing the urgency of climate action and sustainability.
- 2. Promote Collaboration:** Foster partnerships between educational institutions and community organizations for collective environmental impact.
- 3. Inspire Action:** Empower students to become advocates for climate change mitigation and adaptation in their communities.
- 4. Tree Plantation:** Contribute to environmental conservation and carbon sequestration through a tree plantation program.

Event Highlights:

1. Educational Workshops: Interactive workshops were conducted to explore climate change science, environmental challenges, and sustainable solutions.
2. Expert Talks: Keynote speeches and expert sessions were delivered by environmentalists, educators, and representatives from Inner Wheel Club, providing insights and inspiration.
3. Awareness Campaigns: Engaging campaigns and activities raised awareness about carbon footprint reduction, waste management, and green practices.
4. Collaborative Initiatives: Collaborative projects and initiatives were discussed and initiated between INACSC and Inner Wheel Club to address local environmental issues.
5. Tree Plantation Program: A tree plantation program was conducted as part of the event, where students actively participated in planting trees to contribute to environmental conservation efforts.

Key Outcomes:

1. **Increased Awareness:** Participants gained a deeper understanding of climate change issues and the importance of environmental conservation.
2. **Community Engagement:** Collaboration with Inner Wheel Club strengthened community ties and facilitated joint efforts for environmental conservation.
3. **Empowered Leadership:** Students were inspired to take leadership roles in climate action and environmental stewardship.

Conclusion: The Climate Change Awareness event in collaboration with Inner Wheel Club at INACSC, Wardha, was a successful endeavor that brought together students, faculty, and community partners to address pressing environmental challenges. The inclusion of a tree plantation program added a

Report: Celebration of Global Tiger Day

Introduction:

On **29th July 2022**, Indraprastha New Arts Commerce and Science College (INACSC), Wardha, celebrated **Global Tiger Day** with an event held at the college premises. The event aimed to raise awareness about tiger conservation and the importance of protecting these magnificent creatures and their habitats. Present at the event were Dr. Ashish Sasankar, the Principal of the college, Prof. Sandip Petare, the IQAC Coordinator, Dr. Hemant Misal, the NSS Coordinator, and Dr. Prashant Kadwe, along with 315 other attendees.

Principal's Speech:

Dr. Ashish Sasankar initiated the event with an inspiring introductory speech. He emphasized the significance of Global Tiger Day and highlighted the importance of tiger conservation efforts. Dr. Sasankar stressed the role of educational institutions in raising awareness and fostering a sense of responsibility towards protecting endangered species like tigers.

Dr. Hemant Misal's Speech:

Following the Principal's speech, Dr. Hemant Misal delivered a compelling speech on the same topic. Dr. Misal provided insights into the current challenges faced by tigers and their habitats, as well as the conservation efforts being undertaken. He emphasized the need for collective action and urged everyone to contribute towards tiger conservation in any way possible.

The event concluded with Prof. Sandip Petare delivering a gracious vote of thanks. He expressed gratitude to all dignitaries, participants, and organizers for their contributions to the success of the Global Tiger Day celebration. Prof. Petare reiterated the importance of continuing efforts towards tiger

Report On

Importance of Cleanliness and Eradication of Dengue and Malaria

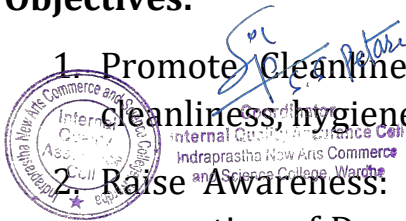

Introduction: On **September 29, 2022**, INACSC, Wardha, organized an impactful event focusing on the **Importance of Cleanliness and Eradication of Dengue and Malaria**. The event aimed to raise awareness about hygiene practices, disease prevention, and environmental conservation. It witnessed the active participation of 219 students and included the leadership of Dr. Ashish Sasankar, Dr. Abhijit Verulkar, and Prof. Sandip Petare, along with a tree plantation program.

Objectives:

- 1. Promote Cleanliness:** Educate participants about the importance of cleanliness, hygiene practices, and sanitation for disease prevention.
- 2. Raise Awareness:** Raise awareness about the causes, symptoms, and prevention of Dengue and Malaria, emphasizing community health and well-being.
- 3. Environmental Conservation:** Highlight the role of tree plantation in environmental conservation, ecosystem balance, and mitigating climate change impacts.

Event Highlights:

- 1. Educational Workshops:** Interactive workshops were conducted to educate students about cleanliness, hygiene, and disease prevention measures.

2. Expert Talks: Experts delivered talks on Dengue and Malaria prevention, symptoms, treatment, and the importance of maintaining a clean environment.
3. Awareness Campaigns: Campaigns and activities were organized to raise awareness about Dengue and Malaria prevention, emphasizing cleanliness and sanitation.
4. Tree Plantation Program: As part of the event, a tree plantation program was conducted where students actively participated in planting trees, promoting environmental conservation and sustainability.

Key Outcomes:

1. Increased Awareness: Participants gained knowledge about the importance of cleanliness, disease prevention, and environmental conservation.
2. Behavioral Change: The event inspired students to adopt hygienic practices, promote cleanliness in their surroundings, and contribute to environmental protection through tree plantation.
3. Community Engagement: Collaboration between students, faculty, and organizers fostered community engagement and collective efforts towards a healthier and cleaner environment.

Conclusion: The Importance of Cleanliness and Eradication of Dengue and Malaria event at INACSC, Wardha, was a successful initiative that combined health awareness with environmental action. The inclusion of a tree plantation program added a practical dimension to the event, promoting sustainable practices and community involvement in environmental conservation.

Report on celebration of Wildlife Week 2022

Jointly organized by New Arts commerce and Science College, Wardha and
Department of Forest, Wardha

Wildlife Week is celebrated all over the country in the month of October from 2nd to 8th October every year with the view to preserve the fauna means the animal life of the India. It was first started in the year 1952 with the great vision of saving the life of the Indian animals by taking some critical steps. It involves the planning to save animal extinction of any species of the India. The Indian Government has established an Indian Board of Wild Life which works to improve the awareness as well as the consciousness of the Indian people towards the wildlife preservation.

Objectives:

- > To make people more aware of the conservation and protection of the wild life.
- > To focus the people's attention towards the importance of conservation of the wild life.
- > To implement more services to preserve the wild life.
- > To discuss all the issues related to the preservation of the wild life

Day 2: - 02/10/2022

Mahatma Gandhi Jayanti and Birth Anniversary of Lal Bahadur Shastri

Introduction: On **October 2, 2022**, INACSC, Wardha, organized a significant No Vehicle Day celebration to honor **Mahatma Gandhi Jayanti and Birth Anniversary of Lal Bahadur Shastri**. The event aimed to promote sustainable transportation practices, reduce pollution, and pay tribute to the principles of Mahatma Gandhi. It witnessed the active participation of 240 students and included the leadership of Dr. Ashish Sasankar, Dr. Abhijit Verulkar, Prof. Sandip Petare, Dr. Hemant Misal, and Madan Ingle.

Objectives:

1. Promote Sustainable Transportation: Encourage participants to use alternative modes of transportation such as cycling, walking, and public transport to reduce vehicle emissions and environmental impact.
2. Reduce Pollution: Raise awareness about the harmful effects of vehicle emissions on air quality, public health, and the environment, emphasizing the importance of eco-friendly transportation.
3. Commemorate Mahatma Gandhi: Honor Mahatma Gandhi's legacy and teachings, particularly his emphasis on simplicity, sustainability, and non-violence.

Event Highlights:

1. No Vehicle Day Campaign: Participants refrained from using motor vehicles for the day and instead utilized eco-friendly modes of transportation such as cycling, walking, and carpooling.
2. Cycling Rally: A cycling rally was organized, where students and faculty members cycled together to promote sustainable mobility and raise awareness about eco-friendly transportation.

3. Walkathon: A walkathon was conducted to encourage walking as a healthy and environmentally friendly mode of transport, promoting physical activity and reducing carbon footprint.
4. Awareness Workshops: Workshops and talks were held to educate participants about the benefits of sustainable transportation, the impact of vehicle emissions on the environment and health, and practical tips for adopting eco-friendly travel habits.
5. Interactive Sessions: Interactive sessions were conducted to discuss Mahatma Gandhi's principles of simplicity, environmental stewardship, and community harmony, inspiring participants to reflect on their role in creating a sustainable future.

Key Outcomes:

1. Increased Environmental Awareness: Participants gained a deeper understanding of the importance of sustainable transportation and its positive impact on the environment.
2. Behavioral Change: The event motivated students and faculty members to adopt eco-friendly transportation habits, reduce their carbon footprint, and promote sustainable living practices.
3. Community Engagement: Collaboration between Babu Kutti Ashram Sewagram, INACSC, Wardha, and participants fostered community engagement and collective efforts towards a cleaner and greener environment.

Conclusion: The No Vehicle Day Celebration at Babu Kutti Ashram Sewagram, Wardha, was a meaningful and impactful initiative that promoted sustainable living, environmental consciousness, and the timeless principles of Mahatma Gandhi. The active participation of students, faculty, and organizers contributed to the success of the event and showcased a shared commitment to creating a healthier, more sustainable world.

Day 03; 03/10/2022

A talk for Future by Prof. S. S. Petare which summarized as follows:

FDF is a movement that began in August 2018, after 15 years old Greta Thunberg sat in front of the Swedish parliament every school day for three weeks, to protest against the lack of action on the climate crisis. She posted what she was doing on Instagram and Twitter and it soon went viral. On the 8th of September, Greta decided to continue striking every Friday until the Swedish policies provided a safe pathway well under 2-degree C, i.e. in line with the Paris agreement.

In Late-November 2015, an independent group of students invited other students around the world to skip school on the first day of the 2015 United Nations Climate Change Conference in Paris. On 30 November, the first day of the conference, a "Climate strike" was organized in over 100 countries; over 50000 people participated. The movement focused on three demands: 100% clean energy; keeping fossil fuels in the ground, and helping climate refugees. Strikes began to be organized around the world, inspired by Thunberg, starting in November 2018. In Australia, thousands of students began to strike on Fridays, ignoring Prime Minister Scott Morrison's call for "more learning in schools and less activism". Galvanized by the COP24 Climate Change Conference in Katowice, Poland, strikes continued at least in 270 cities in December in countries including Australia, Austria, Belgium, Canada, the Netherlands, Germany, Finland, Denmark, Japan, Switzerland, United Kingdom, and the United States.

About 40 students were get benefitted by the presentation and all support he the Greta's movement which was now their own

Day 04; 04 October 2022

A Presentation on “Sustainable Goals” by Dr. Sarita Mishra, Director, Y.E.S. Foundation which is a nonprofit company established by a couple in Wardha for promoting Sustainable Development among Students and Youth of India. Y.E.S. Foundation is a hierarchy free and equal opportunity organization which is registered under Indian Companies Act 2013.

She aware students about the Sustainable Development Goals (SDGs), or the Global Goals, which were adopted by all United Nations Member States in 2015 as a universal call to action to end poverty, protect the planet and ensure that all people enjoy peace and prosperity by 2030. The 17 SDGs are integrated that is, they recognize that action in one area will affect outcomes in others, and that development must balance social, economic and environmental sustainability.

Through the pledge to Leave No One Behind, countries have committed to fast-track progress for those furthest behind first. That is why the SDGs are designed to bring the world to several life-changing ‘zeros’, including zero poverty, hunger, AIDS and discrimination against women and girls.

Everyone is needed to reach these ambitious targets. The creativity, knowhow, technology and financial resources from all of society is necessary to achieve the SDGs in every context. About 104 students and 10 faculties were get benefited.

Day 07; 07 October 2022

On last day we had a trail, a trek to the biodiversity park of Forest department located in MIDC region of Wardha only. Mr. P. Waghmare, was our resource person and guide for this trail. The trail passed through lush greenery on all sides. Mr. Waghmare described the various flora and fauna that we encountered on the way long the trail, we came across a variety of flora and fauna in the form of small fresh water crabs, Balsam, Bamboo plants, snails, tulsi plants, teak trees, star flowers, etc. Mr. Waghmare enriched us with a thorough knowledge of each of these species that we encountered. During the trail we also enjoyed the surrounding small hills bordered with fresh green bamboo plants. All students enjoyed their tiffin in the shadow of trees. It was a treat to our eyes to witness the different shades of green exhibited by mother nature. H'ble D. N. Joshi, DFO, Social Forestry and H'ble Gadve, RFO, Social Forestry, Wardha also interact with students during visit.

Finally, at 2.00 p.m. we returned to our college safe, happy and tired but mentally refreshed and enriched with this wonderful experience of the Nature Club trail. We look forward to many more trips which provide us with a good break from the hustle and bustle of city life. About 32 students were benefitted by the trail.

During valedictory function prize distribution of drawing competition was carried out. Ms Nikita Gadve anchor the program and Pallavi Chaudhari Proposed proposed vote of thanks and the with National anthem wildlife week 2022 was concluded.

Report On

Increasing Use of Plastic

Introduction: On November 24, 2022, INACSC, Wardha, led a significant **Plastic Eradication and Cleanliness Drive at Dham River Pawnar, Wardha.** The event aimed to combat plastic pollution and promote cleanliness and environmental stewardship. It saw the active participation of 213 students and included the leadership of Dr. Ashish Sasankar, Dr. Abhijit Verulkar, Prof. Sandip Petare, Dr. Hemant Misal, and Madan Ingle.

Objectives:

1. **Plastic Eradication:** Remove plastic waste from the environment to mitigate its harmful effects on ecosystems and wildlife.
2. **Cleanliness Drive:** Clean and beautify the surroundings, fostering a sense of responsibility towards maintaining a clean environment.
3. **Environmental Awareness:** Raise awareness among participants about the dangers of plastic pollution and the importance of waste management.

Event Highlights:

1. **Plastic Collection and Segregation:** Participants engaged in collecting and segregating plastic waste from the Dham River Pawnar area.
2. **Clean-Up Activities:** The cleanliness drive involved removing litter and debris, ensuring the area was free from waste and pollutants.

3. Educational Sessions: Informative sessions were conducted to educate participants about the impact of plastic pollution on the environment and wildlife.
4. Tree Plantation: As part of the environmental initiative, a tree plantation program was organized to promote green cover and biodiversity.
5. Community Engagement: Collaboration between students, faculty, and organizers fostered community engagement and collective efforts towards a cleaner and greener environment.

Key Outcomes:

1. Plastic Reduction: Significant quantities of plastic waste were collected and properly disposed of, contributing to plastic pollution reduction.
2. Clean Environment: The area around Dham River Pawnar was cleaned and beautified, enhancing the local environment and promoting a sense of pride and responsibility among participants.
3. Environmental Awareness: Participants gained a deeper understanding of the importance of environmental conservation and sustainable waste management practices.

Conclusion: The Plastic Eradication and Cleanliness Drive organized by INACSC, Wardha, was a successful endeavor that demonstrated the commitment of students and faculty towards environmental sustainability. Through collective action and awareness-raising efforts, the event made a positive impact on plastic pollution reduction and promoted a cleaner, healthier environment.

Report: World Forest Day Celebration

Introduction: On 21st March 2023, Indraprastha New Arts Commerce and Science College (INACSC), Wardha, warmly welcomed all dignitaries, including the Principal of the college, Dr. Ashish Sasankar, Expert Mr. Atul Devokar, IQAC Coordinator Prof. Sandip Petare, and NSS Coordinator Dr. Hemant Misal, along with students and faculty members, to celebrate **World Forest Day**.

Principal's Speech: Dr. Ashish Sasankar, the Principal of INACSC, delivered an engaging introductory speech, highlighting the importance of forests in maintaining ecological balance and the significance of World Forest Day. He emphasized the role of students and educational institutions in promoting forest conservation and sustainable management practices.

Expert's Session: Following the Principal's speech, Mr. Atul Devokar, Assistant Conservator of Forests at the Petch Reserved of Maharashtra, shared his insights on the importance of forests and their conservation. Mr. Devokar provided valuable perspectives on forest ecosystems, biodiversity, and the challenges faced in protecting forested areas. His expertise enriched the discussion and inspired attendees to actively participate in forest conservation efforts.

Dr. Hemant Misal, the NSS Coordinator, extended heartfelt thanks to Mr. Atul Devokar for his enlightening session and to all attendees for their enthusiastic participation. He reiterated the importance of World Forest Day in raising awareness about forest conservation and urged everyone to take concrete actions to protect and preserve our forests. Dr. Misal concluded the program by emphasizing the collective responsibility we hold towards safeguarding our natural heritage for future generations. The World Forest Day celebration at INACSC served as a platform to foster appreciation for the invaluable contributions of forests to our planet's health and well-being. Through education, advocacy, and collective action, we can ensure the sustainability and vitality of our forests for generations to come.

Report: Earth Day Celebration

Introduction:

On **22nd April 2023**, Indraprastha New Arts Commerce and Science College (INACSC), Wardha, **celebrated Earth Day** with great zeal and enthusiasm. The event was graced by the presence of the college Principal, Dr. Ashish Sasankar, IQAC Coordinator Prof. Sandip Petare, and NSS Coordinator Dr. Hemant Misal, along with students and faculty members.

Principal's Speech:

Dr. Ashish Sasankar, the Principal of INACSC, delivered an inspiring introductory speech, emphasizing the significance of Earth Day and the collective responsibility we hold towards protecting our planet. He highlighted the importance of environmental conservation and urged everyone to take proactive measures in preserving the Earth's natural resources for future generations.

Brief Knowledge Session:

Following the Principal's speech, Prof. Sandip Petare, the IQAC Coordinator, provided a brief yet informative session on various environmental topics. He shed light on the current environmental challenges facing our planet, such as climate change, pollution, and biodiversity loss. Prof. Petare also discussed the importance of sustainable practices and individual actions in mitigating these issues and preserving the Earth's ecological balance.

Conclusion:

The Earth Day celebration at INACSC served as a platform to raise awareness about environmental issues and foster a sense of responsibility towards the planet among students and faculty members. Through education, advocacy, and collective action, we can work towards creating a more sustainable and environmentally-conscious society.
