## ACTIVITY REPORT

The college has organized the workshop on MS-Excel on **05/05/2022**. The students from department felt it was beneficial from their academic point of view.

Total No. of beneficiaries into this Programme was almost 227. The session was successfully addressed by Prof. Neval sir.

Generally, Excel functions as software for processing numbers, but in detail, this software is also used to create, edit, sort, analyze, and summarize data. In addition, Microsoft Excel also functions to perform arithmetic and statistical calculations so that it can help solve logic and math problems.

Student also were satisfied after attending this session,

### ACTIVITY REPORT

We have conducted a session on 19/09/2018 on How to Use Google drive application such as creating Google forms, Classroom creating, Online conferences For Better presentation during different international seminars .

As it helps the students learners engage better due to it being a more entertaining way of learning. 40% of people respond better to visual information as it is something fun to look at, and it is a great way to motivate students as it is giving them a different way of learning.

It also cleared doubts of students on how to drive.google.com. On your computer, go to drive.google.com. Upload or create files. You can upload files from your computer or create files in Google Drive Share and organize files. You can share files or folders, so other people can access, edit, or comment on them.

The different tools in the animation like creating an animation, animators must use a collection of equipment that helps process and create the graphics and content. So the drawing paper and pen, special pencils, and other traditional tools can still be useful in your goal of developing your own animation film. The Programme was successfully handled by DR. Sasankar Sir.

Total No. of beneficiaries was 102.
