Education primarily moulds human character leading to quantum changes in his qualities of thinking. Thus education is a task that needs to be handled with care as it is a process that defines an entire gamut of generations to come.

Decent education is a passport to a good comfortable and secure life. It should provide to hope and open avenue for a secured future for intelligent, hardworking and productive men and women of our society. It should help our students to contribute to the development of the nation through their knowledge, skill and character development. The ancient Greek philosopher rightly said, "The foundation of every state is the education of its youth". He also believes that educations are the business of educator as we do not select lawyer to treat patients or dentist to build a bridge, the business of education should be run by fair objectives and qualified professionals. The young must set the standard of various procedures of the system within broad parameter set by the society.

Dr. R.G. Bhoyar is a writer, economist, administrator and impressive orator and above all an untiring teacher who in manifold ways tries to drive home and what actual academic world is. He guides first to redeem from the darkness of ignorance. According to him, education, alone can bring a sense of a balance to discriminate between right and wrong.

## About Us

Over the last three decades Dr. R.G. Bhoyar Group of Institutions has set an exalted example in the field of education. Reaching beyond borders of knowledge. Indraprastha New Arts, Commerce and Science College, Wardha are one among many in this group, founded by Dr. Rajesh Bhoyar, an eminent intellect and philanthropist, in the year 1990. Indraprastha New Arts Commerce and Science College have inspired students across India. He has established this college in Wardha making the ideals of Mahatma Gandhi as holistic foundation to it. Here the system of teaching is more of learners oriented. A practical approach to the methods of teaching is being followed to prepare the students, to face the challenges of life boldly.

This group strongly believes in imparting and propagating knowledge & life skills in core and frontier areas of all major fields of Science, Arts, Commerce and Management through innovative educational programs. The students are developed into a new group of professionals with an exceptional competence and a deep sense of values of life and commitment towards their responsibilities both in profession and nation as well. Here the students are not just taught but also mentored, They are not just forced upon the academics but guided to achieve success.

The major asset of INACSC is its staff members who are well qualified and hard-working. They are well committed in discharging their responsibilities. The faculty members are not just teachers but also mentors. They guide their students in every possible aspect of their academics and help them to move on successfully.

Being a visionary scholar the Chairman Dr. R.G. Bhoyar believed that educational institutions are the epicentres of knowledge. They should transform the unpolished and uncut stones into sparkling gems. He initiated variant number of educational programs like, Diploma, Bachelors and Master Levels in Humanities, Commerce Science/IT, Management, Social Work, Pharmacy and Vocational Education at RGBGI.

With distinct uniqueness Dr. R.G. Bhoyar Group of Institutions stands like an example among all educational Institutions in Vidarbha region.

## National Service Scheme (NSS)

**Dr. Hemant Misal**

Co-ordinator, NSS

National Service Scheme (NSS) has been introduced in Indraprastha New Arts, Commerce and Science College since 1997-98 as a part of the academic programs and since then NSS has been functioning as a regular feature in the realm of our education. 200 students can enroll per year. The overall objective of the scheme is educational and service to the community is the activity through which the objective is sought to be achieved. It is a student centered program in which project are implemented by the NSS volunteers in the community in close collaboration with the community and thereby it provides vast scope for the students interaction with the people.

National Service scheme (NSS) has been playing a vital role in enriching the souls and minds of the students of the college since long time. The overall objective of this scheme is education and service to the community and by the community. The NSS volunteers take initiative in developing a Technocratic Environment and also help the underprivileged people to develop themselves. The scheme promotes the ability to present them in a better way. Thus the ultimate goal of the scheme is to strive to inculcate the bond of patriotism, national integration, brotherhood, communal harmony among these volunteers.

## Library

The library is automated and follows the open access system. It is committed to knowledge enhancement of faculty and student through effective use of recent technology in the field, in addition to the other services offered for the purpose. The library offers an interesting collection of book, journals, periodical and magazines, newspapers, CD's, DVD's and online resources national and international to facilitate reading and referencing. Library resources are upto date every year through the supervision of the Library Advisory Committee. The library houses different sections under one roof for the convenience of its users. New Books are displayed for the benefit of staff and students in the library. A specific library hour is allotted for each class in the regular time table. As part of Library Day Celebrations the library conducts a quiz competition on Book and Authors.

The Library is open on all working days from 8.00 am to 5.00 pm.
